GEAR UP AND GO. Whether loading gear or rafting the rapids, we are all adventure seekers. Hikers. And so much more. The destinations continually change. What really matters is the confidence to go. As well as the life-changing experiences shared along the way. Life is a Sport. We are the Utility. Be Unstoppable. The new 2017 Ford Escape.
Adventure isn’t only found “out there.” Sometimes, it’s right around the corner. Waiting to be discovered. Thankfully, the new 2017 Ford Escape can take you confidently to both. With its spacious, versatile interior and remarkable new features, Escape empowers you to live in the moment. Every day of the week.

Eye-catching new exterior lighting helps take you from pavement to picturesque with carefree confidence. The sculpted hood, dynamic new grille and athletic stance add adventure-bound appeal. A choice of 2 new EcoBoost® engines, plus advanced driver-assist technologies, give you the freedom to pursue your passions.

Inside, the inspiration continues. SYNC® helps keep you connected to the world around you. A redesigned interior features room for up to 5, along with the cargo space to keep you ready for anything. So take a different route to work. Pull off at that scenic overlook – and take it all in. You never know what road will lead to your next great escape.
### ENGINES

<table>
<thead>
<tr>
<th>Engine Type</th>
<th>Horsepower</th>
<th>Torque</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.5L iVCT</td>
<td>168</td>
<td>170 lb-ft</td>
</tr>
<tr>
<td>NEW 1.5L EcoBoost</td>
<td>179</td>
<td>177 lb-ft</td>
</tr>
<tr>
<td>NEW 2.0L Twin-Scroll EcoBoost</td>
<td>245</td>
<td>275 lb-ft</td>
</tr>
</tbody>
</table>

- **2.5L iVCT**: The standard S powerplant, like all Escape engines, is paired with a 6-speed automatic transmission with SelectShift® capability.
- **NEW 1.5L EcoBoost**: 179 horsepower, 177 lb-ft. of torque. This turbocharged, direct-injection engine, standard on SE and Titanium, has robust low-end torque and virtually no turbo lag. New paddle-shift technology enhances the driving fun on EcoBoost® models.
- **NEW 2.0L Twin-Scroll EcoBoost**: Expect quick torque delivery and improved responsiveness from this new, twin-scroll turbocharged, direct-injection engine. The twin-scroll design maximizes pulse energy to the turbine wheel for quick torque delivery when needed most – passing or merging onto a highway.

**EPA-estimated rating:**
- **2.5L iVCT**: 21 city/29 hwy/24 combined mpg, FWD
- **NEW 1.5L EcoBoost**: 23 city/30 hwy/26 combined mpg, FWD
- **NEW 2.0L Twin-Scroll EcoBoost**: 22 city/29 hwy/25 combined mpg, FWD

**AUTO START-STOP TECHNOLOGY**, standard on EcoBoost engines, helps optimize fuel consumption and reduce emissions during stop-and-go city driving. The system will shut off the engine when you come to a complete stop, and seamlessly restart it when you release the brake pedal.

---

**2017 Ford Escape**

REDESIGNED AROUND YOU. Let the well-crafted interior of the new 2017 Escape elevate what you see, hear and touch. Enjoy fine materials and finishes. Calming noise isolation. Plus ample storage space, thanks to a new electric-assist parking brake that allows for an ergonomically placed gear shifter and new media bin at the base of the easy-to-navigate center console. Recharge your phones and tablets with up to 2 smart-charging USB ports! Power laptops and other small electronics with a covered 110-volt power outlet that conveniently accepts a household-style plug. Listen to everything you love with SiriusXM® Satellite Radio. Get over 150 channels including all kinds of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you'll hear it all with a 6-month trial subscription to the All Access package, included with your new Escape. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.
STYLED FOR ADVENTURE. Behind the solar-tinted glass of your fun-seeking Escape, you and your passengers will enjoy a spacious, well-appointed interior. A longer armrest on the center console is designed to help improve driving comfort, while a larger storage bin underneath easily stores today’s large phones. A new heated steering wheel helps take the chill out of early-morning adventures. New SE and Titanium Sport Appearance Packages offer partial leather-trimmed sport seats and striking black exterior accents, while Titanium models welcome you with standard 10-way power, heated, leather-trimmed front seats.
SYNC 3

In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3. An 8” color LCD screen displays phone, audio and navigation features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.

SYNC Connect®

With a SYNC Connect equipped Escape, you can use FordPass® to track your vehicle’s location and remotely access features such as start, lock and unlock, and vehicle status including fuel level and approximate mileage. You can also schedule specific times to remotely start your Escape so it’s ready to hit the road as soon as you are.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora® and iHeartAuto), thanks to standard SYNC AppLink.™

Siri Seamless Integration

Bring the power of Siri into Escape with Siri Eyes Free, your paired iPhone and a long press of the voice recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available? All you need is a Wi-Fi® connection.
BOOST YOUR CURB APPEAL. Dress to impress with the new Sport Appearance Package, available on Escape SE and Titanium. Outside, gloss black-painted exterior accents complement 19” Ebony Black-painted aluminum wheels and front LED signature lamps for a look that’s sure to get noticed. Interior highlights include partial leather-trimmed sport seats along with a leather-wrapped shift knob and steering wheel. Inside and out, its standout style will surely be appreciated.

KICK-START YOUR ADVENTURES. With up to 68.0 cu. ft. of cargo space with the rear seat folded, Escape is your perfect partner for spur-of-the-moment adventuring. And accessing that space is easy thanks to its hands-free foot-activated liftgate. With your arms full and your Intelligent Access key located in a pocket or purse, just kick your foot under the bumper and the liftgate automatically opens or closes. You can even program the fully opened height to the position that works best for you.
VENTURE OUT WITH CONFIDENCE.

<table>
<thead>
<tr>
<th>NEW Adaptive Cruise Control</th>
<th>NEW Lane-Keeping System</th>
<th>BLIS (Blind Spot Information System)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, adaptive cruise control and collision warning with brake support1 flashes a warning via a heads-up display on the windshield, sounds an alarm, and can pre-charge the brake system to provide full responsiveness when you do brake.</td>
<td>Can detect lane markings and apply torque to the steering wheel if it senses your vehicle drifting unintentionally out of its lane. If needed, the Lane-Keeping System2 can also send gentle vibration pulses to the wheel to prompt you to steer back toward center.2 If it detects you’ve come too close to – or crossed – the markers multiple times, a Driver Alert System3 displays a coffee cup icon to suggest taking a break from driving.</td>
<td>Alerts you with a light in either sideview mirror3 if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, notifies you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Escape out of a parking space. Either way, BLIS® with cross-traffic alert1 helps keep you aware of things that may be just out of your line of view.</td>
</tr>
</tbody>
</table>
DON’T LET PARKING SLOW YOU DOWN.

In an Escape Titanium equipped with the Technology Package, carefree parking is right up your alley. Or street. Or parking garage. Thanks to the ultrasonic sensors and other advanced features of its Enhanced Active Park Assist System, parking reveals further talents of the new Escape. Whether looking for a perpendicular spot to back into or parallel parking, the system not only helps you find a suitable one, it steers the vehicle into place while you control the gear shifter, brake and accelerator pedals. The system also provides steering assistance when pulling out of a parallel parking space. So go ahead. Find your spot. You’ll be parked and on your way in no time at all.
PURSUE YOUR PASSIONS. When you want to escape, getting to your destination is half the fun. When equipped with the 245-hp 2.0L EcoBoost® engine and Class II Trailer Tow Prep Package, Escape SE and Titanium models provide the power and capability to tow up to 3,500 lbs. of ATVs, dirt bikes, personal watercraft or whatever passions you pursue. And with trailer sway control, monitoring vehicle motions to detect trailer sway, do it with confidence, too. To help you maintain control of both your Escape and the trailer, the system can reduce engine speed and selectively apply the brakes if needed. Just one more way Escape helps you handle what the day may bring.
With sure-footed standard FWD or the enhanced grip of Intelligent 4WD, Escape instills confidence in various road and weather conditions. With Intelligent 4WD, the system assesses those conditions about 20 times faster than the blink of an eye, readjusting as needed to deliver the right balance of handling and traction. Whether challenges include snow-packed roads, loose gravel, or even a sudden downpour, this on-demand 4WD system can help you keep your adventures on track.

Maintain your peace of mind with standard features like 7 airbags, and AdvanceTrac® with RSC® (Roll Stability Control™). Enhancing vehicle stability in a range of conditions, the system selectively applies individual brakes and modifies engine power to help keep all 4 wheels firmly planted.

ESCAPE WITH AUTHORITY.

1 Available feature. 2 Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

**STANDARD FEATURES**

- Mechanical
- 6-speed automatic transmission with SelectShift® capability
- Active Grille Shutters
- Brakes – Power disc with Anti-Lock Brake System (ABS)
- Electric-assist parking brake
- Front and rear stabilizer bars
- Front-wheel drive (FWD)
- Mini spare wheel and tire
- Steering – Electric power-assisted
- Suspension – 4-wheel independent
- Torque Vectoring Control
- Driver-Assist Technology
- Autolamp
- Seating
- Front bucket seats
- 60/40 split-fold rear bench seat with recline
- Interior
- Cargo tie-down hooks (4)
- Center console – Front-row with 2 cupholders, 2 media bins and armrest
- Display – Message center with trip computer
- Displays – Compass and outside temperature
- Flooring – Front and rear carpeted floor mats
- Grab handles – Front (2) and rear (2)
- Illuminated Entry System
- Lighting – Front and rear dome with front map and rear cargo area with theater-dimming
- Locks – Power door
- Overhead console with sunglasses holder
- Particulate air filter
- Power outlets – 12-volt powerpoints (4)
- Power steering column – Manual-tilt/-telescoping
- Steering wheel-mounted cruise and audio controls
- Exterior
- Easy Fuel® capless fuel filler
- LED taillamps
- Rear-window defroster
- Wipers – Front: variable-intermittent with washer; rear: 2-speed with washer
- Safety & Security
- Airbags – Personal Safety System™ for driver and front passenger includes dual-stage front airbags; safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- Airbag – Driver’s knee
- Airbags – Front-seat side
- Airbags – Safety Canopy® System with side-curtain airbags and rollover sensor
- 3-point belt restraint system for all 5 seating positions
- Adjustable head restraints at all 5 seating positions
- AdvanceTrac® with RSC® (Roll Stability Control™) and Curve Control
- Battery saver
- Belt-Minder® front safety belt reminder
- Child-safety rear door locks
- Front height-adjustable shoulder safety belts
- LATCH – Lower Anchors and Tether Anchors for Children (rear outboard seating positions)
- MyKey®
- Rear view camera
- SecuriLock® Passive Anti-Theft System
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare)

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.
