For years, the CR-V has been one of the best-selling SUVs in the country. But we see no reason to rest on our laurels. With a redesigned exterior, a slew of all-new features and an even more efficient engine, the 2015 CR-V is better than ever.

CR-V Touring shown in Alabaster Silver Metallic.
An engine upgrade and the latest technology from Honda come together for excellent fuel economy ratings. Appeal to your practical side without sacrificing a single bit of fun.

185-HP* 2.4-LITER, EARTH DREAMS® DOHC i-VTEC® ENGINE

An upgraded engine brings an increase in both torque and fuel efficiency. Maximum horsepower and peak torque are now reached at a lower rpm, and direct-injection technology gives you a more efficient use of fuel.*

*SAE net

G-DESIGN SHIFT

G-Design Shift optimizes the continuously variable transmission (CVT) to distribute smoother, linear power to the wheels. The result is less unnecessary revving and more responsive acceleration.

ENHANCED SUSPENSION

The 2015 CR-V has been tuned to provide further stability and better handling. Enjoy a sportier driving experience, thanks to improved suspension settings, wider wheels and an upgraded steering rack.

CR-V 2WD Touring shown in Modern Steel Metallic.
The CR-V is equipped with the new 7-inch Display Audio, a touch-screen interface with smartphone-like functionality (EX and above). Tap, pinch and swipe to access the numerous features, and pair with your compatible smartphone to answer calls or hear text messages with Bluetooth® HandsFreeLink® and SMS text message function. Pair your iPhone® 5s, 5c or 5 to utilize Siri® Eyes Free and access your phone through the audio interface.

* Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

CR-V 2WD Touring shown with Beige Leather.
Link your compatible smartphone with HondaLink Next Generation to transform your vehicle into a seamless digital hub loaded with music, podcasts, vehicle services and more* (EX and above).

Aha™
Aha turns your favorite Internet content into personalized, live, on-demand radio stations. Listen to just about anything you want through the audio interface.

Honda HD DIGITAL TRAFFIC
Beat gridlock with alternate routes from Honda HD Digital Traffic. You’ll get up-to-date traffic information on freeways and surface streets alike. (Navigation-equipped models)

STEERING WHEEL-MOUNTED CONTROLS
Whether you need to change the song, make a call or find directions on the available navigation system, you can access the controls right on your steering wheel.*

HD RADIO™
Enjoy crystal-clear sound quality, additional digital-only local channels and song information displayed on the audio screen. Tap the screen to tag for later purchase and download in iTunes*. (Navigation-equipped models)

Honda SATELLITE-LINKED NAVIGATION SYSTEM™
The navigation system features built-in voice recognition to help you reach your destination hands-free. (available on EX-L, standard on Touring)

*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.
Every CR-V has been refined inside and out. Lean back in the available leather-trimmed seats, and let in a little light through the power moonroof with one-touch control (EX and above). All this luxury, and you’ll still enjoy room for five, 60/40 split rear seats and plenty of cargo space.
LED DAYTIME RUNNING LIGHTS (DRL)

These sleek lights add a stylistic touch and improve your visibility to other vehicles. (EX and above)

DUAL-ZONE AUTOMATIC CLIMATE CONTROL

This system keeps everyone comfortable by allowing both the driver and front passenger to set different temperature levels. (EX-L, Touring)

SMART ENTRY

Hop in the CR-V without ever taking your keys out of your pocket. Smart Entry recognizes when your key is near the vehicle, and locks or unlocks the doors. (EX and above)

MULTI-FUNCTIONAL CENTER CONSOLE

The redesigned center console efficiently organizes your daily carry-alongs. EX and above models feature two power outlets and two USB ports.

HEATED FRONT SEATS

Seats with built-in heaters and hi/lo settings are featured on EX and above models.
POWER TAILGATE
Buttons located on your key, inside the driver’s area and on the tailgate can all be pressed to raise and lower the tailgate. No muscle required. (Touring)

PUSH BUTTON START
The CR-V can identify when your key is inside the vehicle, so all you need to do is press the button. (EX and above)

SIDE MIRRORS WITH INTEGRATED TURN INDICATORS
Turn indicators on the side mirrors improve your visibility in high traffic areas. (Touring)

18-INCH ALLOY WHEELS
The sporty, redesigned exterior is punctuated by shiny 18-inch alloy wheels. (Touring)

DRIVER’S SEAT WITH TWO-POSITION MEMORY
Your two keys can remember each owner’s preferred seat settings. Once set, the seat will automatically adjust as you enter the CR-V. (Touring)

Honda reminds you to properly secure items in the cargo area.

CR-V AWD Touring shown in Urban Titanium Metallic.

Information Provided by:
WHETHER COMING OR GOING, THE CR-V ALWAYS MAKES A STATEMENT.

CR-V 2WD Touring shown in Alabaster Silver Metallic.
Honda Sensing™

The CR-V Touring is the first vehicle to receive Honda Sensing technologies. This suite of driver-assistive features helps improve the driver’s situational awareness, and in some cases intervenes to help avoid a collision or mitigate its severity.

CR-V AWD Touring shown in Basque Red Pearl II.

**COLLISION MITIGATION BRAKING SYSTEM™**

The ingenious CMBS system can sense a vehicle in front of the CR-V, sound a warning, tighten the front seat belts and automatically apply brake pressure to help bring the vehicle to a stop. (Touring)

**LANE KEEPING ASSIST SYSTEM™**

When you begin to depart a detected lane without a turn signal, alerts will flash and sound and the steering wheel will adjust to correct the unintentional lane drifting. (Touring)

**Honda LANEWATCH™**

A tiny camera under the passenger-side mirror activates with your turn signal. A view of the lane with nearly four times more area than the mirror alone appears on your Display Audio screen. (EX and above)

**ADAPTIVE CRUISE CONTROL™**

Set a desired speed and interval behind the vehicle detected directly in front of you. When the vehicle ahead changes speed, ACC adapts to maintain the set interval. (Touring)

**LANE DEPARTURE WARNING™**

Alerts sound and flash when an unindicated lane departure is detected by the small camera behind the rearview mirror. (Touring)
SAFETY FEATURES
COME STANDARD.

Our engineers design systems that not only help protect you, but also help you avoid collisions altogether. Honda brings you these advanced safety features on every 2015 CR-V.

ACTIVE SAFETY

VEHICLE STABILITY ASSIST™ (VSA®)
During oversteer or understeer, VSA® can brake individual wheels and/or reduce engine power to help restore your intended course.

ANTI-LOCK BRAKING SYSTEM (ABS)
ABS pulses the brakes to help prevent wheel lockup and retain steering control during hard braking.

ELECTRONIC BRAKE DISTRIBUTION (EBD)
Helps balance braking forces, depending on how much load each wheel is bearing.

BRAKE ASSIST
Helps apply full braking force in some emergency situations.

REARVIEW CAMERA*
All CR-V models come with a multi-angle rearview camera to help see more of what’s behind you when you’re in reverse.

TIRE PRESSURE MONITORING SYSTEM (TPMS)™
Pressure is monitored in all four tires, and the driver is alerted when air pressure in any tire becomes significantly low.

PASSIVE SAFETY

ADVANCED COMPATIBILITY ENGINEERING™ (ACE®) BODY STRUCTURE
This Honda-exclusive design enhances occupant protection and crush compatibility in frontal collisions. By dispersing crash energy more evenly throughout the front of the vehicle, less force is transmitted to the passenger compartment.

DUAL-STAGE FRONT AIRBAGS (SRS)
Capable of inflating at different rates depending on crash severity, seat-belt usage and/or other factors.

SMARTVENT® FRONT SIDE AIRBAGS
SmartVent front side airbags decrease the likelihood of airbag-related injuries in the event of a moderate-to-severe side impact. They vent before fully inflating if an occupant is in the side airbag deployment path.

SIDE CURTAIN AIRBAGS WITH ROLLOVER SENSOR
These advanced airbags can reduce the likelihood of injuries in a collision by providing not only side-impact protection, but also protection in the event of a rollover.

†Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat.

*VSA is not a substitute for safe driving. It cannot correct the vehicle’s course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

### LX

- 185 hp, 2.4-liter i-VTEC® 4-cylinder engine with direct injection
- Continuously variable transmission (CVT)
- ULEV-2 CARB emissions rating
- EPA mileage ratings: city/highway/combined:
  - 2WD: 27/34/29 mpg
  - AWD: 26/33/28 mpg
- Eco Assist system
- Available Real Time AWD with Intelligent Control System
- Hill start assist
- Six airbags
- Advanced Compatibility Engineering (ACE)
- Vehicle Stability Assist (VSA)
- Multi-angle rearview camera with guidelines
- Tire Pressure Monitoring System (TPMS)
- Daytime Running Lights (DRL)
- Remote entry system

### EX adds to or replaces LX features

- 17-inch alloy wheels
- LED Daytime Running Lights (DRL)
- Auto-on/off headlights
- One-touch power moonroof with tilt feature
- Security system
- Smart Entry
- Fog lights
- Body-colored side mirrors
- Rear privacy glass
- Honda LaneWatch
- Push button start

### EX-L adds to or replaces EX features

- Roof rails
- Heated side mirrors
- Dual-zone automatic climate control system
- Leather-wrapped steering wheel
- Leather-trimmed interior

### TOURING adds to or replaces EX-L features

- 18-inch alloy wheels
- Collision Mitigation Braking System (CMBS)
- Lane Departure Warning (LDW)
- Power tailgate
- Projector beam halogen headlights with auto-on/off
- Side mirrors, including integrated turn indicators

### EX-L / Touring adds to or replaces EX-L features

- Retractable cargo area cover
- Driver’s seat with 10-way power adjustment, including power lumbar support
- Heated front seats
- 160-watt AM/FM/CD audio system with 6 speakers
- 7-inch Display Audio with high-resolution WVGA (800x480) electrostatic touch-screen and customizable feature settings
- HondaLink Next Generation
- Display Audio Interface (2 ports in center console)

### TOURING adds to or replaces EX-L features

- Lane Keeping Assist System (LKAS)
- Adaptive Cruise Control (ACC)
- HomeLink remote system
- Driver’s seat with two-position memory

### EX-L / Touring adds to or replaces EX-L features

- 328-watt AM/FM/CD audio system with 7 speakers, including subwoofer
- SiriusXM Radio

### EX-L / Touring adds to or replaces EX-L features

- Lane Keeping Assist System (LKAS)
- Adaptive Cruise Control (ACC)
- HomeLink remote system
- Driver’s seat with two-position memory
All 2015 Honda vehicles – and any Honda Genuine Accessories installed at the time of vehicle purchase – are covered by a 3-year/36,000-mile limited warranty. Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty, too. For more information or assistance, see your Honda dealer or please give us a call at 1-800-333 Honda.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term, starting with 2015 vehicles. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

Honda Care® is an affordable, comprehensive vehicle and travel protection. For more information, please see your Honda dealer for details.

HondaLink™ is available on EX-L models and standard on Touring models in the United States, Canada and Puerto Rico. (Honda HD Digital Traffic service only – accuracy cannot be guaranteed. American Honda Motor Co., Inc., reserves the right to make changes at any time, without notice or obligation, in colors, specifications, accessories, materials and models. Some images may not work.
