Small on the outside, roomy on the inside and fierce under the hood. That’s the 2016 Fit. It’s got space for practically everyone and anything, thanks to four different interior configurations. And it’s packed with technology you’ll love. See why the Fit is a great fit for you.
The Fit is every bit as functional as it is feisty. The available Honda Satellite-Linked Navigation System helps you find your way and avoid gridlock. And parking in tight spaces is a lot easier when you use the multi-angle rearview camera, standard on every model.

**HondaCONNECT**
Turn the Display Audio into an interface for some of your favorite iPhone content, and you can leave your phone alone when driving (EX, EX-L).

**BLUETOOTH® HANDSFREELINK®**
Every Fit comes with Bluetooth HandsFreeLink, so you can place and receive phone calls without taking your eyes off the road.

*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

Loaded with luxuries.

STEERING WHEEL-MOUNTED CONTROLS
Make phone calls, select music and a lot more while keeping your hands on the wheel.

CENTER CONSOLE
A spacious center console is a great place to store all kinds of items.

PUSH BUTTON START
Keep your key in your pocket or purse, and start the engine with the push of a button (EX, EX-L).

HEATED FRONT SEATS
Warm up quickly with heated leather-trimmed front seats (EX-L).

USB AUDIO INTERFACE
Connect your compatible smartphone, MP3 player or flash drive via USB, and you can play music and charge your devices.*

PADDLE SHIFTERS
Race-inspired paddle shifters on EX and EX-L models with CVT give you more control and make your drive that much more fun.

Honda LANEWATCH
Get a better view of passenger-side traffic, thanks to an available tiny camera mounted under the side mirror. Honda LaneWatch helps shrink your blind spot by revealing nearly four times more than the mirror alone (EX, EX-L).

7-INCH DISPLAY AUDIO
Touch-screen technology is right up front. The Fit features a huge 7-inch Display Audio (EX, EX-L) that’s a pinchable, swipeable command center for your music, communication, information and more.

*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

VERSATILITY

The Fit can take all kinds of people and all kinds of cargo all kinds of places, thanks to brilliant engineering and a little magic. The spacious interior has room for five, and the 2nd-row Magic Seat® helps you configure your Fit four different ways.

UTILITY MODE

Fold the Magic Seat down and you’ve got a class-leading 52.7 cu ft of cargo space. It’s amazing what fits in there.

LONG MODE

Fold down the right side of the rear seat and fold back the front passenger seat, and you can haul gear that’s up to 7 feet, 9 inches long.

REFRESH MODE

Take off the front head restraints, fold back the front seats and you’ve got the perfect place to relax.

TALL MODE

Sometimes you need a little extra room for taller items. Folding up the Magic Seat gives you almost four feet of space, top to bottom.

*Only use Refresh Mode when the vehicle is safely parked. Return the seat and head restraint to their original positions before driving.

Honda reminds you to properly secure items in the cargo area.

*=Only use Refresh Mode when the vehicle is safely parked. Return the seat and head restraint to their original position before driving.
Of course the Fit is fun to drive. It has a nimble chassis, a wide stance and ingenious EarthDreams Technology to give you plenty of zip and help you go longer between fill-ups.*

PERFORMANCE

EARTH DREAMS® TECHNOLOGY CVT
The available continuously variable transmission allows the engine to operate at optimal RPM levels and helped the Fit receive an impressive 41-mpg highway rating.*

ECO ASSIST™
This eco-conscious technology comes standard on every Fit, and on models with a CVT, the ECON button helps you squeeze even more miles out of a gallon of gas.*

*29 city/37 highway/32 combined mpg rating for LX and EX 6MT models. 33 city/41 highway/36 combined mpg rating for LX CVT model. 32 city/38 highway/35 combined mpg rating for EX and EX-L CVT models. Based on 2016 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors.
TIRE PRESSURE MONITORING SYSTEM (TPMS)™
This ingenious system monitors the air pressure in all four tires, and alerts the driver when the pressure in any tire becomes significantly low.

ANTI-LOCK BRAKING SYSTEM (ABS)
The anti-lock brakes help the driver retain steering control during hard stops, while Electronic Brake Distribution (EBD) distributes brake force among the four wheels based on how much load each wheel is bearing.

SAFETY

ADVANCED COMPATIBILITY ENGINEERING (ACE)™
The Honda-exclusive ACE body structure design utilizes a network of connected structural elements to distribute frontal crash energy more evenly.

SIX STANDARD AIRBAGS
The Fit is equipped with a full array of airbags including SmartVent® front side airbags, dual-stage front airbags (SRS) and side curtain airbags with rollover sensor.*

MULTI-ANGLE REARVIEW CAMERA
Standard on every Fit, this incredibly useful feature helps show what’s behind you from three different angles: Normal View, Wide View and Overhead View.

VEHICLE STABILITY ASSIST™ (VSA)†
During an understeer or oversteer condition, VSA† can brake individual wheels and/or reduce engine power to help restore your intended course.
