## 2010 NISSAN VERSA®

**COMES IN 2 FUN FLAVORS.** Sedan or Hatchback, both generously offer the largest passenger volume in their class, including the most rear leg room.<sup>1</sup> Plus a powerful engine, while getting up to 34 highway mpg.<sup>2</sup> Enjoy effortless power from a groundbreaking intelligent CVT transmission. And the security of six standard air bags.<sup>3</sup> There's the convenience of class-exclusive Nissan Intelligent Key® and Bluetooth® Hands-free Phone System<sup>1</sup> and even a new optional navigation system. All wrapped up in a stylish, smart choice of four doors or five.

<sup>1</sup>WardsAuto.com's Lower Small Car segment, January 2009, 2010 Versa 1.8 vs. 2009 competitors. <sup>2</sup>Based on EPA highway fuel consumption estimate for 2010 Versa Hatchback 1.8-L with Xtronic CVT®. 28 mpg city/34 mpg highway. Actual mileage may vary with driving conditions – use for comparison only. <sup>3</sup>Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details.
