WELCOME TO THE 2014 NISSAN PATHFINDER® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Pathfinder.

Click here to sign up for news and updates on the 2014 Nissan Pathfinder.
The world has changed. Shouldn’t your SUV? From climbing hills to climbing in, Pathfinder® redefines it all. There’s the all-new Hybrid, delivering an impressive range of 488 miles on a single tank, while maintaining all the capability you expect from a Pathfinder.® Or choose the powerful V6, with the highest standard towing rating in its class.® And on every Pathfinder®, you’ll find a standard CVT transmission for seamless power and an available 4-Wheel Drive system with class-exclusive driver-selectable modes.®

Stretch out in the largest interior in its class,® with a third row that’s spacious and surprisingly easy to get into. And once the trail is behind you, an available class-exclusive Around View® Monitor helps you grab a parking space right out front.®

Welcome to the world as we know it. Welcome to the Next Gen SUV.

Wouldn’t it be cool if_

your suv

was made for

the way you really live?

Welcome to the world as we know it. Welcome to the Next Gen SUV.

1 488-mile estimated range calculated using 2013 EPA Fuel Economy Galorants XE MPG city multiplied by 16.5 gallon capacity, not yet EPA tested. Actual mileage may vary with driving conditions – use for comparison only.

Enjoy 5-star accommodations, before you even get to the lodge. Pathfinder® surrounds you with premium comforts, including standard Tri-Zone Automatic Temperature Control and available heated and cooled front seats, heated 2nd-row seats, even an available class-exclusive heated steering wheel. With available navigation featuring Zagat Survey® restaurant recommendations and live weather updates, plus an available dual memory seating system and a Bose® premium audio system, you’ve got luxury accommodations — without any reservations. 

1. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations.

2. Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets.

3. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc.

4. Tri-Zone operation requires compatible auxiliary media system. See Owner’s Manual for details. Bose is a registered trademark of The Bose Corporation. Zagat Survey® is a registered trademark of Zagat Survey, LLC Ltd.
Intuitive 4WD. With Pathfinder®’s All-Mode 4x4-i, you’ve got a system that’s capable on-road and off. Designed to work with both V6 and Hybrid models, it’s the only vehicle in its class with selectable driving modes.¹ You can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice. And when your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline.

Balance of Power. The Advanced Drive-Assist™ Display shows how the intuitive 4WD system constantly adjusts power between the front and rear axles, helping to give you the available traction and control you need.

¹World's Largest Crossover/SUV Market Segmentation. MY14 Pathfinder® vs. 2013 Large Crossover/SUV Class. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, can affect handling and stability of the vehicle.
because everyone should come along.

In Pathfinder®, capability goes way beyond taking on rugged conditions, it's conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with best-in-class passenger room, including a 2nd row that slides over five inches for stretch-out room and the only 3rd-row reclining seat in its class.¹ ²

And with premium features like an available Dual Panorama Moonroof and standard rear A/C, this is one time where one size fits all beautifully.

¹Ward's Large Cross/Utility Market Segmentation. MY14 Pathfinder® vs. 2013 Large Cross Utility Class. Seats should not be in the reclined position while the vehicle is in motion.

²Ward's Large Cross/Utility Market Segmentation. MY14 Pathfinder® vs. 2013 Large Cross Utility Class. Seats should not be in the reclined position while the vehicle is in motion.
NISSAN EZ FLEX™ SEATING SYSTEM
INNOVATION THAT GIVES EVERYONE AN OPEN INVITATION.

Wouldn’t it be cool if getting to any seat was easy? With the innovative EZ Flex™ Seating System, the 2nd row glides and tilts forward for easy access to the spacious rear seat. And once you’re in the 3rd row, you’ll find it’s exceptionally comfortable, thanks to class-exclusive reclining seats.1, 2, 3

Pathfinder’s® family-friendly, too. With Pathfinder’s® LATCH AND GLIDE™ technology, you can even tilt and slide the right side of the 2nd row with a child seat securely strapped in.1

1 Slide forward function should not be performed with the 3rd row occupied. 2 Wards Large Cross/Utility Market Segmentation. 3 Pathfinder’s®, 2013 Large Cross/Utility Class. 4 Seats should not be in the reclined position when the vehicle is in motion. Cargo and load capacity limited by weight and distribution. Always secure all cargo.
Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Making Room for Unforgettable Moments.

Fold Flat Rear Seats
Cargo? Pathfinder® makes easy work of it, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 79.8 cubic feet of cargo space.

Under-floor Storage
There’s also an under-floor storage area that keeps valuables out of sight. It’s easily accessed even when the 3rd row is upright, for extra cargo space when you’ve got seven on board.

Power Liftgate
Easy loading comes at the touch of a finger. Pathfinder’s® available power liftgate can be opened from a button located on the liftgate, on the dashboard near the driver, or on your Intelligent Key.
GETTING A GREAT VIEW WHEREVER YOU LOOK.

Tri-Zone Entertainment. If you’ve ever taken a trip with kids, you probably know it’s hard to please everyone. But with Pathfinder®’s available Tri-Zone Entertainment System, you actually can. The rear monitors can play individually, giving a choice of DVDs, video games, photos and more that you can control from the audio system’s 8” VGA screen. And with those in back wearing wireless headphones, you can adjust the 13-speaker Bose® audio system to play only in front, letting you enjoy your own choice of entertainment in perfect harmony.

iPod® Integration. Your music at your fingertips. Just plug in to Pathfinder®’s available USB input and control your iPod® through the audio system, including the remote controls mounted on the steering wheel. Rock on!

Advanced Drive-Assist™ Display. From trip computer to 4WD torque distribution, the Advanced Drive-Assist™ Display serves up info right in front of you—helping to minimize time looking away. Its intuitive 3-D depth and tilt design help you take it all in quicker.

1 Tri-Zone operation requires compatible auxiliary media system. See Owner’s Manual for details. 2 Never program while driving. GPS mapping may not be detailed or available in areas outside the US. 3 Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. 4 Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. Bose® is a registered trademark of The Bose Corporation. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod not included. Zagat Survey® is a registered trademark of Zagat Survey, LLC.
OUTSTANDING FUEL ECONOMY WITH BEST-IN-CLASS TOWING — THAT’S ONE GREAT CATCH.¹, ²

Efficiency, brought to you by the Next-Generation Xtronic CVT: With Pathfinder’s class-exclusive Xtronic CVT transmission, you have a virtually gearless wonder. It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don’t. Proof? Best-in-class fuel economy in city (20 MPG), combined (22 MPG) and highway (26 MPG).³

Power, Courtesy of a 3.5-L V6 Engine. Seven on board, a big beautiful boat in tow. This is the stuff that tests what an SUV is made of. Pathfinder takes it on with 280 hp of 3.5-L V6 muscle and a CVT that knows the engine’s sweet spot for the power you need, giving a standard 5,000 lbs. towing rating — the highest in its class. And if you tow frequently, consider the available Towing Package (see Specifications).
Pathfinder® Hybrid Platinum shown in Moonlight White with optional equipment.

Targeted 2014 Pathfinder® Hybrid EPA Fuel Economy Estimate of 27 highway MPG. EPA data not available at time of printing. Actual mileage may vary with driving conditions – use for comparison purposes only.

488-mile estimated range calculated using 2013 EPA Fuel Economy Estimate 25 MPG city multiplied by 19.5 gallon capacity, not yet EPA tested. Actual mileage may vary with driving conditions – use for comparison only. Check your tire pressure regularly for maximum fuel efficiency and tire life.

The road to most hybrids is paved with compromise. Sure, you get better fuel economy, but it often comes with compromises on capability and comfort – and costs a lot more, too. How about a smarter solution? Pathfinder® Hybrid is thrifty from the word go, with auto-stop/start technology that can shut the engine down when you’re at a stoplight, and starts instantaneously as you pull away. It’s also efficient at higher speeds where it can “coast”, reducing engine to idle and disconnecting from the transmission when power isn’t needed. The result is an impressive range of 488 miles on a single tank of gas and up to 27 MPG highway. A supercharged 4-cylinder engine combined with an electric motor provides strong acceleration, while available All-Mode 4x4-i 4WD gives the go-anywhere capability you expect from a Pathfinder. And with a rear-mounted battery pack that’s smaller and slimmer than other hybrids, there’s virtually no loss of rear leg room or cargo space. Pathfinder® Hybrid’s even designed to be affordable – another road that most other hybrids don’t like to travel.

Pathfinder’s Advanced Drive Assist Display lets you monitor the power flow of the electric motor and the gas engine. You can also track MPG history and even learn how to be a more efficient driver. For the big-screen experience, you can view Hybrid information on the available Nissan Navigation System’s 8” VGA display.®

Click this link to see a short video on Pathfinder’s advanced Hybrid system. Or go to bit.ly/pathfinderhybrid

NISSAN PATHFINDER

NISSAN HYBRID TECHNOLOGY

INNOVATION THAT LOVES TO TRAVEL OFF THE BEATEN PATH.

27 MPG HWY
250 TOTAL HORSEPOWER
243 LB-FT TORQUE
488 MILES PER TANK

Nissan Pathfinder® shown in Moonlight White with optional equipment. Pathfinder® Hybrid will have late and limited availability. Please see your dealer for details.
What if parallel parking was easier? A rearview monitor is great when backing up – but when it comes to parking, it’s nice to see more than just what’s behind you. That’s why Pathfinder® offers the class-exclusive available Around View® Monitor.¹ Four cameras give you a virtual 360º bird’s-eye view of your vehicle,¹ with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. Now that’s smart.

³War’s Large Cross/Utility Market Segmentation. MY14 Pathfinder® and Pathfinder® Hybrid vs. 2013 competitors.

NISSAN AROUND VIEW® MONITOR

FOUR CAMERAS

Complete the picture. Located under your driver’s side mirror, this camera helps round out your virtual 360º bird’s-eye view whether you’re in Drive or Reverse.²

Don’t scratch your wheels. In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

Get yourself hitched. In Reverse, the display helps you see what’s directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window. Perfect when hooking Pathfinder® up to a trailer.

Forget the tennis ball. In Drive, the display gives you both a front and overhead view, so you can pull all the way into your spot (or garage) – but not too far.

Get yourself a rearview monitor. In Drive, the display gives you both a front and overhead view, so you can pull all the way into your spot (or garage) – but not too far.

Check surroundings for safety.

Click this link to see a short video on Pathfinder®’s available Around View® Monitor. Or go to bit.ly/pathfinderavm.
NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on your vehicle’s systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield technologies are our way of looking out for you and yours.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you’re traveling on properly inflated tires.

Tire Pressure Monitoring System with Available Easy-Fill Tire Alert1, 2

Lets you know when a tire is low. And Easy-fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you’ve reached the correct pressure.

Available Smart Auto Headlights

Available Around View® Monitor1

Available RearView Monitor®

Available Rear Sonar System6

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path3

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake Force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan’s Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors5

Front seat-mounted side-impact supplemental air bags2

Rear-mounted curtain side-impact supplemental air bags with rollover sensor2

LATCH System (Lower Anchors and Tethers for Children)

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

TAKE READY TO THE NEXT LEVEL.

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan’s 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase.1

A. Auto-dimming Rearview Mirror with HomeLink® and Compass
   Brights on behind you? Here's the answer.

B. Cargo Area Protector®
   Use your cargo area, don’t abuse it.

C. Illuminated Kick Plates
   For a grand entry, every time.

D. All-season Floor Mats (4-piece set)
   Happiness is carpet that looks brand new.

E. Dual Head Restraint DVD Monitors
   Happy campers are quiet campers.

F. Remote Engine Start System®
   Heat or cool your Pathfinder® before you get in.

G. Roof Rail Crossbars®
   Great for bringing along your skis or bike.

H. Splash Guards
   Unexpected mud bath? No problem.

Additional Accessories:
- Fog Lights
- Underfloor Storage Dividers
- Rear Cargo Cover
- Cargo Net
- Interior Accent Lighting
- Towing Accessories®
- Hatch Tent
- Stainless Steel Rear Bumper Protector
- And More

1 Covered by Nissan’s Limited Warranty on genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details.

2 Cargo and load capacity limited by weight and distribution. Always secure all cargo.

3 State laws may apply; review local laws before using.

4 Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. See Nissan Towing Guide and Owner’s Manual for proper use. Manoeuvring is a registered trademark of Nissan Motor Company, Ltd.

  - Dual Panorama Moonroof
  - Tri-Zone Entertainment System with dual head restraint-mounted 7" monitors, remote control and two wireless headphones
  - Rear auxiliary audio/video input jacks
Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF. Improving fuel efficiency through our PUREDRIVE® measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green.

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you’re buying or leasing, you’ll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our special discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/100,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

SecurityPlus™: For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

MaintenancePlus™: This extended plan ensures your Nissan will receive up to 17 different services and over 53 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they’re the only parts to carry Nissan’s factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.
