WELCOME TO THE 2015 NISSAN PATHFINDER® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Pathfinder.

Click here to sign up for news and updates on the 2015 Pathfinder.
There’s a big bright world out there, and with a little help from the 2015 Pathfinder, you’re ready to see more. You’ve got power and efficiency up front, and easy access for everyone, including a 2nd-row seat that slides and tilts. Advanced technology puts your world at your fingertips and helps keep an eye out for your blind spots. Best of all, it’s a Pathfinder, and that means legendary capability, and a feeling of real confidence at the wheel. So, whether it’s the daily commute or a vacation you’ve been planning all year, load up, bring some friends, and move out. Your next adventure is waiting.
Plan an extended stay. Pathfinder® surrounds you with premium comforts, including standard Tri-Zone Automatic Temperature Control, available heated and cooled front seats, and heated 2nd-row seats. Add in an available dual memory seating system and a Bose® premium audio system, and you truly have luxury accommodations – without any reservations.
Click the button to see a short video on Pathfinder’s capable 4WD system, go to bit.ly/nissan4wd15

Because you have a lot more world to see.
Because everyone should come along.

In Pathfinder® capability goes way beyond taking on rugged conditions, it’s conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with best-in-class passenger room,¹,² including a 2nd-row that slides over five inches for stretch-out room and the only 3rd-row reclining seat in its class.¹,³,⁴ And with premium features like an available Dual Panorama Moonroof and standard rear A/C, this is one time where one size fits all beautifully.
NISSAN EZ FLEX® SEATING SYSTEM

INNOVATION THAT GIVES EVERYONE AN OPEN INVITATION.

Wouldn’t it be cool if getting to any seat was easy? With the innovative EZ Flex® Seating System, the 2nd row glides and tilts forward for easy access to the spacious rear seat. And once you’re in the 3rd row, you’ll find it’s exceptionally comfortable, thanks to class-exclusive reclining seats.¹, ², ³

Pathfinder®’s family-friendly, too. With Pathfinder®’s LATCH AND GLIDE® technology, you can even tilt and slide the right side of the 2nd row with a child seat in place.¹

¹Slide forward function should not be performed with the ORS occupied. ²Ward’s Large Cross/Utility Market Segmentation. 2015 Pathfinder® vs. 2015 and 2014 Large Cross/Utility Class. ³Passengers should not ride in the reclined position while the vehicle is in motion.
Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

**MAKING ROOM FOR UNFORGETTABLE MOMENTS.**

**Fold-flat Rear Seats**
Cargo? Pathfinder® makes easy work of it, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 79.8 cubic feet of cargo space.

**Power Liftgate**
Easy loading comes at the touch of a finger. Pathfinder®’s available power liftgate can be opened from a button located on the liftgate, on the dashboard near the driver, or on your Intelligent Key.

**Under-floor Storage**
There’s also an under-floor storage area that keeps valuables out of sight. It’s easily accessed even when the 3rd row is upright for extra cargo space when you’ve got seven on board.

---

*Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.*
GETTING A GREAT VIEW WHEREVER YOU LOOK.

Family Entertainment. It’s hard to please everyone, but with Pathfinder®’s available Tri-Zone Entertainment System, you actually can.¹ The rear monitors can play individually, giving a choice of DVDs, video games, photos and more that you can control from the audio system’s 8” VGA screen. And with those in back wearing wireless headphones, you can adjust the 10-speaker Bose® audio system to play only in front, letting you enjoy your own choice of entertainment in perfect harmony.

Advanced Navigation. So much more than just maps, Pathfinder®’s available touch-screen Nissan Navigation System gives you live traffic and weather updates to keep you in the know.² ³

iPod® Integration. Your music at your fingertips. Just plug in to Pathfinder®’s available USB input and control your iPod® through the audio system, including the remote controls mounted on the steering wheel. Rock on!⁴

Advanced Drive-Assist® Display. From trip computer to 4WD torque distribution, the Advanced Drive-Assist® Display serves up info right in front of you — helping to minimize time looking away. Its intuitive 3-D depth and tilt design help you take it all in quicker.

¹ Tri-Zone operation requires compatible auxiliary media system. See Owner’s Manual for details. ² Never program while driving. GPS mapping may not be detailed in some areas or reflect current road status. ³ Required SiriusXM® Satellite Radio, NavTraffic® and NavWeather® subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic® available in select markets. Satellite Radio U.S. service and NavWeather® service available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2014 Sirius XM Radio Inc. Sirius, Xmin, ® XM and all related marks and logos are trademarks of Sirius XM Radio Inc. Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Bose® is a registered trademark of The Bose Corporation. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® not included.
OUTSTANDING FUEL ECONOMY WITH BEST-IN-CLASS STANDARD TOWING – THAT’S ONE GREAT CATCH.¹, ²

Efficiency, brought to you by the Next-Generation Xtronic CVT.³ With Pathfinder’s class-exclusive Xtronic CVT transmission,¹ you have a virtually gearless wonder. It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don’t. Proof? How about an impressive 20 MPG city, 23 MPG combined, and 27 MPG highway.³

Power, Courtesy of a 3.5-L V6 Engine. Seven on board, a big beautiful boat in tow. This is the stuff that tests what an SUV is made of. Pathfinder takes it on with 260 hp of 3.5-L V6 muscle and a CVT that knows the engine’s sweet spot for the power you need, letting you tow up to 5,000 lbs.² – the highest standard towing rating in its class.¹ And if you tow frequently, consider the available Towing Package (see Specifications).

¹Ward’s Large Compact/Utility Market Segmentation. 2015 Pathfinder vs. 2014 Large Compact/Utility Class. ²See Nissan Towing Guide and Owner’s Manual for proper use. May require additional equipment. ³2015 EPA fuel economy estimate of 20 city, 27 highway and 23 combined MPG for 2015 Pathfinder 2WD. Actual mileage may vary with driving conditions – use for comparison purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Towing loads of this nature with large, especially for vehicles that stress the handling and stability of the vehicle.
Ups and Downs. When your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline.

Balance of Power. The Advanced Drive-Assist® Display illustrates the Pathfinder® dividing the power between the front and rear axles, helping to give you the available traction and control you need.

Ups and Downs. When your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline. Hill descent control helps make going down steep grades more manageable by automatically adjusting your speed and brake pressure to help keep you going at a controlled speed.
NISSAN AROUND VIEW® MONITOR®

IT’S GOT YOUR BACK. AND THE REST OF YOU, TOO.

What if parallel parking was easier? A rearview monitor is great when backing up — but when it comes to parking, it’s nice to see more than just what’s directly behind you. That’s why Pathfinder® offers a class-exclusive Around View® Monitor.4 Four cameras give you a virtual 360º bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.1 And new for 2015, Rear Cross Traffic Alert helps keep an eye around the rear of your Pathfinder® and can warn you about moving vehicles detected in your vicinity.4

Fear no parking space with Pathfinder®’s amazing AroundView® Monitor! Click the button to see more at bit.ly/pathfinderavm15

COMPLETE THE PICTURE
Located under your driver’s side mirror, this camera helps round out your virtual 360º bird’s-eye view, whether you’re in Drive or Reverse.

RIGHT ON THE NOSE
In Drive, the display gives you both a front and overhead view, so you know just how far to pull up — without going too far.

SPARE YOUR WHEELS
In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

NO MORE BUMPER CARS
In Reverse, the display helps you see what’s directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

**NISSAN SAFETY SHIELD® PHILOSOPHY**

**INNOVATION THAT LOOKS OUT FOR YOU.**

Wouldn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

**MONITOR**

Smart technologies are designed to help monitor conditions. Like a warning to let you know that a vehicle might be in your blind spot, or a system that helps ensure you’re travelling on properly inflated tires.

- **Vehicle Dynamic Control** helps you maintain your steered path. (VDC)
- **Traction Control System (TCS)** helps reduce wheelspin in low-traction situations.
- **Anti-lock Braking System (ABS)** helps you maintain steering control around obstacles while braking heavily.
- **Electronic Brake force Distribution** sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.
- **Brake Assist** helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation. (BAS)

**PROTECT**

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

- **Nissan Advanced Air Bag System** with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors
- **Front seat-mounted side-impact supplemental air bags**
- **Roof-mounted curtain side-impact supplemental air bags** with rollover sensor
- **LATCH System (Lower Anchors and Tethers for CHildren)**

**RESPOND**

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

- **Vehicle Dynamic Control** helps you maintain your steered path.
- **Traction Control System (TCS)** helps reduce wheelspin in low-traction situations.
- **Anti-lock Braking System (ABS)** helps you maintain steering control around obstacles while braking heavily.
- **Electronic Brake force Distribution** sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.
- **Brake Assist** helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

1. **Blind Spot Warning (BSW)** Available BSW turns on a warning light if a vehicle is detected in the blind spot area, and sounds a warning tone if you signal to change lanes.
2. **Rear Cross Traffic Alert (RCTA)** When your Pathfinder® is in Reverse, available Rear Cross Traffic Alert helps to warn you of moving vehicles from either the left or the right side of the rear of your vehicle.
GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan’s 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by dealer at the time of purchase), and can be financed when installed by dealer at time of purchase.

A. Auto-dimming Rearview Mirror with HomeLink® and Compass
   Brights on behind you? Here’s the answer.

B. Stainless Steel Rear Bumper Protector
   Protect your bumper from dings and scratches in style.

C. Towing Package
   If you’re going to get hitched, do it right.

D. Interior Accent Lighting
   Starts every trip with a warm glow.

E. Rear Cargo Cover
   If they can’t see it, they won’t want it.

F. Dual Head Restraint DVD Monitors
   Happy campers are quiet campers.

G. All-season Floor Mats (4-piece set)
   Happiness is carpet that looks brand new.

H. Illuminated Kick Plates
   For a grand entry, every time.

Additional Accessories:
- Under-floor Storage Dividers
- Cargo Area Protector
- Cargo Net
- Remote Engine Start System
- Carpeted Floor Mats (4-piece set)
- Hatch Tent
- And More

## CHOOSE YOUR TRIM LEVEL

### S
- 260-hp 3.5-liter V6 engine
- Xtronic CVT® (Continuously Variable Transmission)
- Available All-Mode 4x4-i intuitive 4WD system
- Hi lift assist
- Hi descent control (AWD only)
- 18” Aluminum-alloy wheels
- 7-passenger seating capacity
- EZ Flex® Seating System
- Tri-Zone Automatic Temperature Control (ATC)
- Advanced Drive-Assist® Display
- Remote keyless entry
- Push Button Ignition
- Power windows
- AM/FM/in-dash 6-CD audio system with six speakers
- MP3/WMA CD playback capability
- Auxiliary audio input jack
- Illuminated steering wheel-mounted audio controls
- Nissan Advanced Air Bag System
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert

### SV INCREASES S EQUIPMENT PLUS:
- Variable intermittent speed-sensitive flat-blade windshield wipers
- Auto-dimming rearview mirror
- HomeLink® Universal Transceiver
- Dual illuminated visor vanity mirrors
- Leather-wrapped steering wheel and shift knob
- AM/FM/CD audio system
- USB connection port
- Plug-in VTR jack
- SiriusXM® Satellite Radio

### KEY AVAILABLE PACKAGE:
- Trailer Tow Package

### SVL INCLUDES SV EQUIPMENT PLUS:
- Blind Spot Warning (BSW)®
- Rear Cross Traffic Alert (RCTA)®
- Leather-appointed seats and door trim
- Body side moldings
- Power liftgate
- Heated outside mirrors with reverse tilt-down feature
- Remote Engine Start System
- Digital compass

### KEY AVAILABLE PACKAGE:
- Welcome lighting
- Heated front and rear seats
- Driver’s seat and outside mirrors position memory
- Driver’s seat power lumbar support
- 4-way power adjustable passenger’s seat
- Wood-tone trim
- 120-volt AC power outlet
- Stainless steel kick plates

### PLATINUM INCLUDES SL EQUIPMENT PLUS:
- Bose® audio system with 13 speakers
- DVD video playback capability
- Streaming audio via Bluetooth® wireless technology
- Climate-controlled front seats
- Heated steering wheel
- Power-tilt/telescoping steering column
- Steering-wheel position memory

### FAMILY ENTERTAINMENT PACKAGE:
- Touchscreen navigation system
- Bluetooth® Hands-free Phone System
- Auxiliary audio input jack
- 30-pin USB connection port
- iPod® interface
- RearView Monitor®
- Navigation System
- Entertainment System
- Around View® Monitor
- Nissan Advanced Air Bag System
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert
- 4-way power adjustable passenger’s seat
- Power-tint/telescoping steering column
- Heated steering wheel
- Power liftgate
- Climate-controlled front seats
- Heated outside mirrors with reverse tilt-down feature
- Remote Engine Start System
- Digital compass

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute a solicitation or offer, representation or warranty, express or implied, by or on behalf of Nissan North America, Inc. ("Nissan North America"). You are hereby advised to verify with your Nissan dealer or your Nissan retailer all specifications, prices, and availability of the vehicle and its components. Nissan North America, Inc., reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to the continuous development and advancement of our products, Nissan North America, Inc., reserves the right to make changes to all vehicles shown with optional equipment. See your actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your Nissan dealer or contact Nissan North America, Inc.

**BUYING/OWNING**

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF® and improving fuel efficiency through our PUREDRIVE® measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green.

Follow us: @NissanSupport

At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about these support services. Or if you prefer, call 1-800-Nissan-3 (1-800-647-7233) for answers to specific questions about Pathfinder® or any other Nissan vehicle. The Nissan name, logos, product names, badge names, and slogans are trademarks owned by or licensed to Nissan Motor Co., Ltd. and/or its North American subsidiaries. ©2014 Nissan North America, Inc. **Actual mileage may vary with driving conditions – use for comparison only.**

**This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should consult their Nissan dealer for details. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.**

**For additional peace of mind, a variety of extended service plans will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.**

**Nissan Mobility Asssit. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.**

**Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.**

**New Vehicle Limited Warranties.** Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/100,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

**Security+Plus™** For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

**Maintenance+Plus.®** This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

**College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.**

**Active and Reserve US Military Program. Ask about eligibility for our fixed discount on new vehicle pricing available to those serving our country.**
