WELCOME TO THE 2016 NISSAN MAXIMA® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your MAXIMA.

Click here to sign up for news and updates on the 2016 MAXIMA.
TRANSFORM your drive from elevated to exhilarating at the touch of a button. Feel 300 horsepower push you deeply into a sculpted sport seat. Lean in to your favorite curve as sleek aerodynamics let you slice through the air. And after a pulse-raising ride, just as quickly return to swift, effortless motion. The all-new 2016 Maxima, the 4-Door Sports Car. Designed to boost your excitement AT WILL.
Dig deep into Maxima’s 300 horsepower and feel the solid push into the seat that only newly refined VQ V6 power can provide, with the assistance of technology inspired by GT-R® and a better power to weight ratio than a BMW® 335i or Acura® TLX 3.5 V6.¹ For those who live by numbers, 0–60 comes up in impressive time. For those who live by the drive, the wail of the exhaust as it pulls to its 6,400 rpm redline is all the proof you’ll ever need.²

¹ 2016 Nissan Maxima vs 2015 BMW® 335i and 2015 Acura® TLX 3.5 V6. Competitor information obtained from manufacturers' websites. ² Professional driver. Closed course. Obey all traffic laws, always drive safely and wear your seatbelt. Damage resulting from racing, competitive driving, track or airstrip use not covered by warranty. See your New Vehicle Limited Warranty and Owner's Manual for proper vehicle operation and complete warranty details. Acura® is a registered trademark of Honda Motor Co., Ltd. BMW® is a registered trademark of BMW of North America, Inc.
Lowered, sculpted, and streamlined, Maxima® achieves a sweeping aerodynamic profile. However, watch the light as it traces a path around a curvaceous fender and it’s clear— it’s not just about cheating the wind, it’s about a love of form. In fact, the engineers and designers created a unique metal-stamping technique, just so they could add such a seductive curve to Maxima®’s deeply scalloped doors.

DRIVE PAST HANDSOME, GO DIRECTLY TO STUNNING.

BREATHTAKING DETAILS

“Floating” roof appearance
LED headlights with integrated signature
Dual chrome-tipped exhaust finishers
Aggressive lowered stance
Deeply sculpted character lines

Nissan Maxima® Platinum shown in Gun Metallic.

1 Available feature. Low-beam only.
Technically, the term is “Wow”. There’s no better way to describe it – the perfect execution of driving function with elegance and style. The quality of materials. The ideal placement of controls. The long list of luxuries you expect – and a few you hadn’t even thought of. It’s clear that a great deal of time was spent, so that every moment in the new Maxima® feels special. Wow, indeed.

To see how its vibe comes to life, watch the video at [bit.ly/maximainterior16](http://bit.ly/maximainterior16)
UNLIMITED ENGAGEMENT.

By placing key controls intuitively where you want them, Maxima® connects you to your drive like no other. Rotating the center console 7 degrees towards the driver gives you an easy reach to key controls. The 7" Advanced Drive-Assist® Display and 8" multi-touch control monitor give you two large displays to view key information. And no detail was overlooked. The ergonomically shaped shift lever, Display Commander dial and Sport Mode button are all grouped together and carefully placed to fall readily to hand, putting personalized performance exactly where you desire – at your fingertips.

8" multi-touch control monitor

Nissan Maxima® SR shown in Charcoal Leather.
NISSAN ADVANCED DRIVE-ASSIST® DISPLAY¹ ²
IT’S EVEN A QUICK READ.

With all you’ve got going on, you can still focus on what’s most important: driving. Maxima®’s 7” color display is for your eyes only. From turn-by-turn directions to caller ID, even warning you if it senses you need a break,¹ the Advanced Drive-Assist® Display lays it all right before your eyes – helping to minimize time looking away.³ And if you like, you can even change the color of the Maxima® on the display to match your mood.
NissanConnect™
DIAL IN YOUR WORLD.

NissanConnect™ with Navigation
Imagine the possibilities when you combine all the features of an advanced navigation system with connected technology to help keep you in touch. While you’re driving, you can use Voice Recognition and Online Search with Google® to find that hip new food truck. Invite your friends to join in with Bluetooth® hands-free calling. Keep in the loop with the hands-free text messaging assistant, or just kick back and listen to music from Bluetooth® streaming audio, or one of the two iPod®/USB connection ports. More? Available SiriusXM® Travel Link® helps keep you on the go with live traffic alerts and weather forecasts – it can even help you find the cheapest gas.

Advanced Touch-screen Monitor
Standard on every Maxima®, you’ve got a massive 8.0” multi-touch control color monitor with Voice Recognition. It’s so advanced, you can even pinch and swipe key screens, similar to a tablet.

Display Commander gives you an all-access pass and controls the functions you make through the 8” multi-touch screen. By rotating the dial or pushing it left to right, you can scroll through all menus, and move selections around the screen.

Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation.

DIAL IN YOUR WORLD.
MEET YOUR ENTOURAGE.

NissanConnect™ Services powered by SiriusXM! Let our people look after you and your people. With available NissanConnect™ Services, you have a selection of plans and services ranging from remote start access on your phone to calling for help if the system senses there’s been an accident. Hey, that’s what friends are for.¹ ² ³

**EMERGENCY PREPAREDNESS.**

When things go bad, we’re good to have:

- **Automatic Collision Notification** – If you’re in an accident severe enough to deploy the air bags, we’ll automatically call for help.¹
- **Emergency Calling** – The touch of a button connects you to a live person to assist you.¹
- **Roadside Assistance Service** – Flat tire? Run out of gas? We can dispatch roadside assistance to your Maxima®’s location.¹

**REMOTE ACCESS**

Not in your car? Help is accessible through your compatible computer or compatible smartphone.⁴

- **Remote Door Lock and Unlock – Forgot to lock up? Use your smartphone like a super-powerful remote – or just call us.⁴**
- **Remote Engine Start –** Nothing beats coming out to a warmed-up or cooled-down car.⁶
- **Remote Horn and Flashing Lights –** Now, where did I park? We’ll sound the horn and flash the lights so you can easily find your car.

**CUSTOMIZABLE ALERTS**

You tell us the limits. We’ll alert you via email, text message or automated phone call if someone’s out of line.⁵

- **Speed** – A real help if you’ve got lead-feet in the family.⁴
- **Curfew Alerts** – We’ll even send notification to the driver 20 minutes before the curfew alert.⁴
- **Valet Alerts** – If the valet drives your Maxima® more than 0.2 miles, you’ll know. You can also set geographical Boundary Alerts when your vehicle is driven 2 miles beyond a set area.

**CONVENIENCE SERVICES**

Getting you from here to there – easy:

- **Connected and Assisted Search** – Forgot where your favorite band is playing tonight? We’ll find it.
- **Journey Planner –** Vacation? Through the web portal, we’ll send a route with up to five waypoints and a destination directly to your Maxima®.⁴, ³, ⁵

Driving is serious business. Only use NissanConnect™ Mobile Apps when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See NissanUSA.com/connect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³

State laws may apply; review local laws before using. ⁷

To find out more about Maxima®’s NissanConnect™, go to NissanUSA.com/connect. And watch a short video at bit.ly/maximaconnect.

WHEN YOU AIM FOR THE STARS, YOU BUILD A ROCKET.

Power, courtesy of a 3.5-L V6 engine. Under the Maxima’s hood beats the heart of Nissan’s VQ V6 engine. This year, the legendary V6 has been extensively refined and optimized, even employing sodium-filled exhaust valves – technology borrowed from our GT-R® supercar. From its microfinished forged crankshaft and anodized pistons to its high-flow tuned induction system, this 300-hp powerhouse is designed to exhilarate from idle to redline.

Response, brought to you by the Next-Generation Xtronic CVT®. Completely re-engineered for both enthusiast and economist, Maxima’s all-new CVT features dynamic step shifting, wider gear ratio coverage, and an adaptive shift controller. The result: more distinctive shift points, a more connected, spirited driving experience, and increased fuel economy – up to 30 MPG highway.

Adrenaline on tap, via Sport Mode. Put the Drive Mode Selector into Sport and you’ll sharpen throttle response, steering feel, and transmission tuning for a pulse-raising ride. The system even adjusts Maxima’s available Active Sound Enhancement (ASE), bringing in a more purposeful engine note into the cabin – music to any enthusiast’s ears.

"2016 EPA fuel economy estimate 30 MPG highway for 2016 Nissan Maxima. Actual mileage may vary with driving conditions – use for comparison only."
A great sports car is about more than just power. It's the overall balance, including handling, braking, and ride that create a truly memorable drive. To give you a G-induced grin, Maxima® SR combines 19" diamond-cut, machine-finished alloy wheels with a sport-tuned suspension featuring advanced dynamic technologies. Specialized hardware includes specially tuned ZF Sachs® dampers with a mono-tube design in the rear, and a reinforced chassis that provides higher torsional rigidity than a Porsche® Cayman®. So get inside, grab the thick wheel with Alcantara® inserts and column-mounted paddle shifters, and go enjoy the thrill of carving up your favorite road in the way only a purpose-built sports car can provide.

**Active Trace Control.** By selectively applying Maxima®'s brakes when cornering, Active Trace Control can automatically engage the inner or outer brakes, helping to optimize your line through a turn.

**Active Engine Brake.** As you apply the brakes, Maxima®'s Active Engine Brake system downshifts the CVT, slowing the vehicle with less effort, while enhancing the feeling of stopping confidence.

**Active Ride Control.** In the event you’re jostled by a bump in the road, Maxima®’s Active Ride Control system kicks in. It works by automatically applying the brakes to help smooth the impact, helping you stay composed and comfortable.
Maxima® SR. Purists Welcome. In the world of the 4-Door Sports Car®, there’s a special place for those who have a mindset that goes beyond enthusiasm, passion, or even exhilaration. Welcome to a place where driving is simply an expression of who you are – brought to you by people who feel exactly the same way.

THE DRIVE, ELEVATED.

Premium Ascot leather-wrapped D-shaped steering wheel with Alcantara® insert

Premium Ascot Leather-appointed seating with diamond-quilted Alcantara® inserts

“Liquid Chrome” faceted interior trim

Column-mounted paddle shifters

Integrated Dynamics-control Module (IDM)
NISSAN AROUND VIEW® MONITOR

IF YOU WANT PARKING ANY EASIER, YOU’LL HAVE TO VALET.

What if parallel parking were easier? A RearView Monitor is great when backing up—but when it comes to parking, it’s nice to see more than just what’s directly behind you. That’s why Maxima®’s class-exclusive Around View® Monitor uses four cameras to give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.¹²³

Parking sonar. Maxima®’s available parking sonar gives you an added ally in your pursuit of parking, with sensors on all four corners looking out for static objects and giving you an audible warning when it detects you’re getting close.⁴

¹Parking assistance system feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. May not detect every object.

²Virtual composite 360º view. 2015 J. D. Power Large Sedan Segmentation. 2016 Nissan Maxima® vs. 2015 competitors.

³The available Front and Rear Sonar System is a convenience, but is not a substitute for proper parking and/or backing procedures. Always check surroundings and turn to look behind you before moving vehicle. May not detect every object.

⁴In Drive, the display gives you both a front, overhead view, so you can gauge just how far to pull up—without going too far.

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

COMPLETE THE PICTURE

In Drive, the display gives you both a front, and overhead view, so you can gauge just how far to pull up—without going too far.

In Reverse, the display helps you see what’s directly behind you, while the overhead view helps with shorter objects that may otherwise be hidden below your window.¹
NISSAN SAFETY SHIELD® PHILOSOPHY
INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR
Smart technologies are designed to help monitor conditions, from a system that helps ensure you’re travelling on properly inflated tires, to an available system that monitors your driving, and alerts you that you may need a break.

Available Features:
- Driver Attention Alert (DAA)
- Predictive Forward Collision Warning (PFCW)
- Forward Emergency Braking (FEB)
- Blind Spot Warning (BSW)
- Rear Cross Traffic Alert (RCTA)
- Around View Monitor with Moving Object Detection
- Intelligent Cruise Control (ICC)

RESPOND
Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

- Vehicle Dynamic Control® helps you maintain your steered path.
- Traction Control System helps reduce wheelspin in low-traction situations.
- Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.
- Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.
- Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT
When a collision is unavoidable, Nissan’s Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

- Six Standard Air Bags
- LATCH System (Lower Anchors and Tethers for Children)

NISSAN ADVANCED AIR BAG SYSTEM
The Nissan Advanced Air Bag System has supplemental front air bags with seat belt and occupant-classification sensors. In addition, Maxima® features front seat-mounted side-impact supplemental air bags, and roof-mounted curtain side-impact supplemental air bags with rollover sensor.

TPMS lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you’ve reached the correct pressure.

NISSAN SAFETY ENGINEERS HAVE DEDICATED THOUSANDS OF HOURS TO EVALUATING HUNDREDS OF CHILD RESTRAINTS IN NISSAN VEHICLES, AS WELL AS OFFERS INVALUABLE TIPS ON CORRECT INSTALLATION. LOOK FOR THE LATEST FIT GUIDE AT NISSANUSA.COM/SNUGKIDS.

LOOKING FOR THE RIGHT CBS FOR YOUR NISSAN? WATCH THIS VIDEO FIRST AT BIT.LY/NISSANSNUGKIDS.
NISSAN SAFETY SHIELD TECHNOLOGIES™
GET AWAY WITH JUST A WARNING.

What if extra reassurance was easy to spot? Whether you’re changing lanes on the highway or deftly maneuvering your way into a parking spot, Maxima’s available Safety Shield Technologies™ offer you a suite of advanced systems that help you keep an eye out all around you, watch the flow of traffic and even think ahead.

Predictive Forward Collision Warning. In traffic, it only takes a moment to get caught off guard in a potentially dangerous situation. How about a little help? With this technology, a radar sensor on the front of Maxima constantly monitors not just one vehicle ahead in your lane, but two. When the system detects sudden deceleration two vehicles ahead, it gives you an audible warning and a visual signal on the instrument panel. So you get a heads up, even if you can’t see what’s slowing you down.

Forward Emergency Braking. Using radar technology to keep an eye on your speed and proximity to the vehicle ahead of you, Forward Emergency Braking gives you audible and visual display warnings to help you reduce your speed, if necessary. It can also apply braking if you fail to respond to help you avoid a collision. If a collision is unavoidable, this feature will engage the brakes to help reduce speed of impact and reduce the severity of a collision.

Blind Spot Warning. If another vehicle is detected in the blind spot area, an indicator appears in the driver’s or front passenger’s door pillar and on the Advanced Drive-Assist® Display. Put your turn signal on, and the indicator flashes with a warning chime to alert you.

Rear Cross Traffic Alert. When you’re backing out of a parking space, this available feature can detect and warn you about detected vehicles you might not see behind you approaching from either side. So backing up feels easier than ever.

RearView and Around View® Monitors. When you’re in Reverse, the standard RearView Monitor shows what’s directly behind you and makes backing up and parking easier. And the available class-exclusive Around View® Monitor uses four cameras to give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, to help you see where you’re going without second-guessing.
COMPLETE YOUR TRANSFORMATION.

To see Genuine Nissan Accessories in action, go to bit.ly/16maxima-gnavideos

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan’s 2-year/24,000-mile (whichever occurs first) limited warranty (if installed by dealer at the time of purchase), and can be financed when installed by dealer at time of purchase.

A. Premium Spoiler
   A fitting end to a breathtaking design.

B. 18" Aluminum-alloy Wheels
   Aggressively styled, exclusively for Maxima.

C. Interior Trim Appliques
   Add some extra sport and sophistication with your choice of Carbon-fiber Look (shown) or Piano Black.

D. Illuminated Kick Plates and Interior Accent Lighting
   For a grand entrance every time. (Sold separately)

- Rear-window power sunshade
- Memory System – driver’s seat, steering wheel and outside mirrors
- Climate-controlled front seats (heated and cooled)
- Premium Ascot leather-appointed seats with diamond-quilted leather inserts
- Premiun Ascot leather-wrapped steering wheel
- Mahogany wood-tone faceted interior trim

- Climate-controlled front seats (heated and cooled)
- Premium Ascot leather-appointed seats with diamond-quilted Alcantara® inserts
- Liquid Chrome” faceted interior trim
- Aluminum sport pedals
- Deletes Dual Panel Power Panoramic Moonroof

- Blind Spot Warning (BSW)
- Rear Cross Traffic Alert (RCTA)
- Predictive Forward Collision Warning (PFCW)
- Forward Emergency Braking (FEB)
You’ve decided which Maxima® you want, now here comes the best part: deciding what it’s going to look like. Choose your favorite color and then pick from the available interiors based on the model of your choice.

Nano-pigment paint. Maxima® colors Coulis Red and Forged Bronze feature a new nanopigment technology where the paint pigments are ground 10 times finer than those found in traditional paint. The resulting finish is stunning with an exceptionally deep, wet, lustrous look.

**SPECIFICATIONS**

### Engine
- **VQ35DE** – 3.5-liter DOHC 24-valve V6 engine
- **Horsepower** – 300 hp @ 6,400 rpm
- **Torque** – 261 lb-ft @ 4,400 rpm
- Continuously Variable Valve Timing Control System (CVTCS) on intake and exhaust valves
- Nissan Direct Ignition System
- Electronic drive-by-wire throttle

### Drivetrain
- Front engine/ Front-Wheel Drive
- Xtronic CVT® (Continuously Variable Transmission) with Drive Mode Selector
- Paddle shifters
- Integrated Dynamics-control Module (IDM) – Active Ride Control (ARC), Active Trace Control (ATC), Active Engine Brake (AEB)

### Brakes
- 12.60” x 1.10” front and 12.13” x 0.63” rear vented discs
- 4-wheel Anti-lock Braking System (ABS)
- Electronic Brake force Distribution (EBD)
- Brake Assist

### Suspension/Chassis Bracing/Steering
- Independent strut front suspension
- Independent multi-link rear suspension
- Hollow-tube front stabilizer bar (24.2 mm)
- Hollow-tube rear stabilizer bar (26.5 mm)
- Sport-tuned suspension – retuned dampers, stiffer springs and larger front stabilizer bar (26.2 mm)
- Front performance chassis damper
- Front strut tower reinforcement
- Rear chassis reinforcement
- Hydro-electric power steering (HEPS)

### Wheels/Tires
- 18” x 8.0” machine-finished aluminum-alloy wheels
- 19” x 8.0” diamond-cut machine-finished aluminum-alloy wheels
- P245/45R18 V-rated all-season tires
- P245/40R19 W-rated all-season tires

### Exterior Features
- LED Daytime Running Lights
- Halogen headlights
- LED low-beam headlights
- Automatic on/off headlights
- Fog lights
- Taillights with integrated LED signature
- Dual mufflers with rolled chrome-tipped finishers
- Premium rear spoiler
- Sport spoiler
- Manual folding outside mirrors
- Power outside mirrors with LED turn signal indicators
- Outside mirrors with reverse tilt-down feature
- Auto-dimming driver-side outside mirror
- Dual Panel Power Panoramic Moonroof with one-touch open/close

### Comfort/Convenience
- Advanced Drive-Assist® Display with 7.0” color display
- NissanConnectSM with Navigation and 8.0” multi-touch control color monitor
- Voice Recognition for audio and navigation
- SiriusXM® Traffic and Travel Link®
- NissanConnectSM Services Powered by SiriusXM®
- Hands-free test messaging assistant
- Display Commander
- Multi-functional trip computer
- RearView Monitor

### Around View® Monitor
- Bluetooth® Hands-Free Phone System
- Dual Zone Automatic Temperature Control (ATC) with in-cabin microfilter and rear vents
- HomeLink® Universal Transceiver
- Cruise control with illuminated steering wheel-mounted controls
- Intelligent Cruise Control (ICC)
- Active Noise Cancellation (ANC)
- Active Sound Enhancement (ASE)
- Auto-dimming inside rearview mirror
- Nissan Intelligent Key® with Push Button Ignition
- Remote Engine Start System with Intelligent Climate Control
- Ride Control windows down and trunk release via Nissan Intelligent Key®
- Power door locks with auto-locking feature
- Power windows with front window one-touch auto-up/down
- Tilt/telescoping steering column
- Power tilt/telescoping steering column
- Vehicle speed-sensing variable intermittent windshield wipers
- Rain-sensing variable intermittent windshield wipers
- Front map lights and rear LED reading lights
- Adjustable ambient LED interior lighting
- Dual illuminated visor vanity mirrors with sun visor extenders
- Rear-window power sunshade
- One 12-volt DC power outlet
- Retained accessory power and battery saver
- Overhead sunglasses storage
- Front seatback pockets
- Dual front cup holders and dual front bottle holders
- Rear seat fold-down armrest with dual cup holders
