NISSAN ROADSIDE ASSISTANCE

Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:

- Flat-tire changes
- Jump starts
- Trip Interruption benefits
- Vehicle lockouts
- Emergency fuel delivery

Visit NissanUSA.com/armada

Roadside Assistance and Trip Interruption available during the first 36 months or 36,000 miles (whichever occurs first) after initial new vehicle delivery. Restrictions apply. See Owner’s Manual for details. The App Store® is a registered trademark of Apple, Inc. Facebook® and Google® are registered trademarks of Google, Inc. Twitter® is a registered trademark of Twitter, Inc. All other trademarks and registered trademarks are the property of their respective owners.
TAKE ON greater possibilities. Turn heads with a refined, yet unmistakable, exterior design. Attention to detail and exceptional craftsmanship greet you the moment you step inside. Plush room for up to eight and versatility? Check. Advanced technology that connects you to your world and keeps an eye on your surroundings? Absolutely. And out on the road, feel in command, rain or shine, even when you’re hauling up to 8,500 lbs.® Armada® is a full-size SUV that makes every day an unforgettable ADVENTURE.
IMPRESSIVE COMFORT AND CAPACITY

Let the whole crew stretch out in absolute comfort with seating for up to eight – or seven with the available second-row captain’s chairs. Then change things up with a highly flexible interior. Add in an innovative climate control system that reaches every row, and every passenger can find their ideal zone.

| Heated Front and Second-row Seats | Seating for up to 8 | Dual Zone Automatic Temperature Control (ATC) | Power Return 3rd-row Seats |

SURROUNDED BY CONFIDENCE

In one of the most advanced Nissan vehicles ever, you can expect confidence from an array of available Safety Shield Technologies. Whether you’re keeping a safe distance from the vehicle ahead, changing lanes, or backing out of tight parking spots, these available features can help bring awareness to another level.

- Intelligent Cruise Control
- Predictive Forward Collision Warning
- Lane Departure Warning and Prevention
- Blind Spot Warning
- Blind Spot Intervention
- Backup Collision Intervention

POWERFUL V8 AND ALL-WHEEL DRIVE

You’ll never have to leave a toy behind with a stunningly powerful Endurance® V8 engine at your command. Count on all 390 hp and 394 lb-ft of torque to make easy work out of towing up to 8,500 lbs. And when the pavement turns to dirt, trust in intuitive all-mode 4WD® to keep things moving.

ENTERTAINMENT FOR EVERYONE

With a Tri-Zone Entertainment System, no one is left out of the fun. The second row features two monitors that can play individually. And with the two wireless headsets that are included, your passengers can watch quietly, while up front you can enjoy the thrilling sound of the Bose® Premium Audio System.

- Intelligent Cruise Control
- Predictive Forward Collision Warning
- Lane Departure Warning and Prevention
- Blind Spot Warning
- Blind Spot Intervention
- Backup Collision Intervention

Heated second-row outboard seats are an available feature. Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. Predictive Forward Collision Warning is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner’s Manual for details. Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. Blind Spot Intervention is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. BCi will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See owner’s manual for details. Bose ® is a registered trademark of The Bose Corporation.

NOTE: Power seat features vary by configuration. See Nissan Towing Guide and Owner’s Manual for additional information.

3 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation.

4 iPhone® is a registered trademark of Apple, Inc. All rights reserved. iPhone® or other external device not included. Driving is serious business and requires your full attention. Only use Nissan WiFi and Apps Services powered by Autonet Mobile when safe to do so. Only available on select models. See nissanwifi.com for complete availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Nissan and Apple have worked together to enable the use of iPhone® apps with Nissan vehicles. Mobile applications are operated by third parties and Apple is not responsible therein. Nissan is not responsible for this application or the content therein, nor does it make any express or implied representation or warranty with respect to the same. Your use of this application is subject to the applicable third party terms of service and/or privacy policy. Technology is evolving, and changes to cellular networks provided by independent companies or other third party changes that impact Nissan WiFi and Apps Services are not within Nissan’s control. Should a third party or Autonet Mobile terminate or make changes that impact the service, service may be terminated without notice and Nissan shall have no liability. The Apps Services requires compatible smartphone or personal computer, not included with vehicle. Enrollment and Subscription Agreement is required to receive full suite of Nissan WiFi and Apps Services through Autonet Mobile. The 90 day trial period for Apps Services begins when the unit is registered with Autonet Mobile; subsequently the respective paid subscription for WiFi is at the then-current rate to continue to receive respective services. Terms and conditions of Subscription Agreement then apply. Text rates and/or data usage may apply.

5 Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.
