NISSAN ROADSIDE ASSISTANCE

Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:

- Flat-tire changes
- Vehicle lockouts
- Jump starts
- Emergency fuel delivery
- Trip Interruption benefits

NISSAN ROADSIDE ASSISTANCE

Roadside Assistance and Trip Interruption available during the first 36 months or 36,000 miles (whichever occurs first) after initial new vehicle delivery. Restrictions apply. See Owner's Manual for details. The App Store® logo is a registered trademark of Apple, Inc. All rights reserved. Google Play® is a registered trademark of Google Inc. Facebook® is a registered trademark of Facebook Inc. Twitter® is a registered trademark of Twitter, Inc. YouTube® is a registered trademark of Google Inc.
TAKE ON big plans. The destinations are endless. And unrivaled space means everyone gets in on the action. Where to next? Put it to a vote. Now take on the road, or what they call a road, with available All-Mode® 4x4-i, while you tow up to 6,000 lbs.¹ Then feel secure with some of the most advanced driver-assistance systems anywhere. Capability at this level always makes for memorable ADVENTURES.

¹ Towing capability varies by configuration. See Nissan Towing Guide and Owner’s Manual for additional information.
With the EZ Flex® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place. And with so many possible seating configurations, Pathfinder® is always ready for the next adventure.

THREE ROWS OF FLEXIBILITY

With the EZ Flex® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place. And with so many possible seating configurations, Pathfinder® is always ready for the next adventure.

HANDS-FREE ACCESS

Carrying everything at once? No problem. With the Nissan intelligent Key® in your pocket, just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. You can even set it to open to a specific height, so it always stops just where you want it to.

ALL-TERRAIN CAPABILITY

Pathfinder’s available All-Mode® 4x4-i intuitive 4WD system gives you the capability you need with a class-exclusive choice of full-time 2WD for maximum efficiency. Auto for traction only when you need it, and 4WD lock mode for when the going really gets tough.

NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES

Available advanced technologies are your partner in everyday travels. When in Reverse, you’ll have plenty of help backing out of tight parking spaces, while out on the road, feel more secure when changing lanes or following stop-and-go traffic.

Rear Cross Traffic Alert®
Blind Spot Warning®
Forward Emergency Braking®

EQUIPPED FOR ADVENTURE

*Slide forward function should not be performed with the CRS occupied.

Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Note: For more complete information, see your owner’s manual. Speed and other limitations apply. See Owner’s Manual for details.

Note: Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner’s Manual for details.

Note: Not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. FM radio signals may affect systems. FM radio signals may affect systems. Speed and other limitations apply.
