SWIPE FOR MORE INFO
Download the interactive Brochure Hub app on your tablet and you’ll have access to the 2017 Rogue® and the whole Nissan lineup at your fingertips. Get the full product story enhanced with interactive demos and videos, plus complete info on trim levels, colors, accessories, and more.
Nissan Interactive Brochure Hub is available free on the App Store® and Google Play!
Or go to NissanUSA.com to view on your desktop.

NISSAN ROADSIDE ASSISTANCE
Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:

- Flat-tire changes
- Vehicle lockouts
- Trip Interruption benefits
- Emergency fuel delivery
- Jump starts

Visit NissanUSA.com/rogue for more information.

*Roadside Assistance and Trip Interruption available during the first 3 years or 36,000 miles (whichever occurs first) after initial new vehicle delivery. Restrictions apply. Powertrain Warranty and Service for parts not covered. The App Store is a registered trademark of Apple, Inc. The Google Play Store is a trademark of Google Inc.
TAKE ON a bigger, bolder world. Get there in a redesigned crossover that brings an aggressive new look to consistent capability. Gain confidence with new available safety tech that helps keep an eye out. Load up in a snap with an interior that adapts for adventure. Where to? Call up directions, friends, and your favorite driving jam at the touch of a button.¹ The new 2017 Nissan Rogue! Slide into gear and explore a life of POSSIBILITIES.

¹ Available feature. Driving is serious business. Only use features when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See NissanUSA.com/connect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Technology is evolving, and changes by independent companies are not within Nissan’s control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Should a third party provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See NissanUSA.com/connect for details. Text rates and/or data usage may apply.
Now you’ve got easier access to your Rogue than ever before. Hands full? Just kick under the rear bumper to open the available Motion Activated Liftgate, without reaching for a key or juggling armfuls of stuff.1

NISSAN MOTION ACTIVATED LIFTGATE

Now you’ve got easier access to your Rogue than ever before. Hands full? Just kick under the rear bumper to open the available Motion Activated Liftgate, without reaching for a key or juggling armfuls of stuff.2

NISSAN DIVIDE-N-HIDE®

Single-handedly reinventing capability, the class-exclusive Divide-N-Hide cargo system lets you adapt in a snap.1,2 An adjustable set of shelves and dividers gives you a variety of configurations, and it’s so easy, you can do it with one hand.

NISSAN INTELLIGENT CRUISE CONTROL

Unlike traditional systems that only maintain a set speed, available Intelligent Cruise Control also helps maintain an adjustable set distance between you and the car in front of you. As traffic slows down or speeds up, Rogue® can respond accordingly.3

Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident.

NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES

Available Nissan Intelligent Safety Shield Technologies offer you a suite of advanced systems that help keep an eye out, watch the flow of traffic, and even think ahead.

Nissan Intelligent Safety Shield Technologies include:

- Forward Emergency Braking®
- Blind Spot Warning®
- Rear Cross Traffic Alert®
- Moving Object Detection®

Available feature. FEB cannot prevent accidents due to careless or dangerous driving techniques. It cannot prevent rear-end collisions or collisions with objects in the vehicle’s path. Always use seatbelts. Speed and other limitations apply. See Owner's Manual for details. Available feature. Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or objects in the blind spot. Always check your blind spot and mirrors before changing lanes. Always use seatbelts. Speed and other limitations apply. See Owner’s Manual for details. Available feature. MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle.

Warranty

In the event of a warranty-related issue with your vehicle, visit NissanUSA.com/warranty for details.

For details. See your Nissan USA or Canadian dealer for more information on availability, options or accessories, see your Nissan dealer or contact Nissan. Due to continuous product development, Nissan reserves the right to update information on products, equipment, specifications, and models and to discontinue models or equipment. Due to the continuous nature of manufacturing, some variations in product design, color, or other attributes may occur.

If you purchased your vehicle outside the United States (including Puerto Rico) or Canada, contact your local Nissan dealer or the Nissan North America Customer Relations Department at (800) 806-7777.
