NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

Whether you’re on the job or on the go, Frontier® offers features that take things up a notch. Embrace a great-looking interior plus an available sporty, leather-wrapped steering wheel with cruise control and audio adjustments. Crank up the available Rockford Fosgate®-powered audio system, which features ten speakers, including subwoofers. Make and take calls with your hands on the wheel using the Bluetooth® Hands-free Phone System. And get things the way you like it with available Dual Zone Automatic Temperature Control.

Nissan Frontier® PRO-4X® Crew Cab shown in Graphite Leather with optional equipment.
The Desert Runner serves up major attitude with 16” 6-spoke aluminum-alloy wheels, a satin chrome grille, and details like fog lights and a body-color rear bumper. Bilstein® off-road performance shocks and 265/75R16 mud- and snow-rated all-terrain tires help maximize your potential. And a unique bedside decal tops it off – just before you leave them in the dust.

4X4 CAPABILITY

With the available 4x4 system, you can choose between 2WD, 4H, and 4LO, to help maximize fuel efficiency on the highway and get serious off-road capability on command. Four-wheel Active Brake Limited Slip (ABLS), and available Hill Start Assist and Hill Descent Control help you conquer even the roughest terrain.

PUT YOUR CARGO ON LOCKDOWN

When equipped with the available Utili-track® Channel System, Frontier® offers the most bed rails in its class. This system is fully equipped to help keep just about any type of cargo secured tightly. Five channels, four cleats, and a lot of thought about how people really use their trucks have created a system that’s simple, rugged, and offers near-infinite possibilities.

BRING THE BIG TOYS

Power – either you’ve got it, or you don’t. And with Frontier, you’ve got it in a big way. With an available 4.0-liter V6 engine packing 261 horsepower, your V6 is chomping at the bit. And with a massive 281 lb-ft of torque, you can tow or haul just about anything you need to bring along. There’s even an available Flexible Fuel Vehicle feature that allows you to choose ethanol E85, standard gasoline or any mixture of the two fuels.
