NISSAN JUKE®
Isn’t it time you were passionate about the car you drive? Welcome to the 2016 JUKE®.

And follow Nissan Canada on:

visit nissan.ca
UNLEASH your own idea of fun. Ready to stand out? Pick the colours that represent your style. Head to the city with your equally spontaneous crew. Want a change of pace? Cruise up the coast, saving gas with the push of a button. Own the day – no timeline, great tunes, and easily accessible navigation. Drive home as the sun sets, with a smile on your face. The 2016 Nissan JUKE® Revel in THE THRILLS.
YOU’LL NEVER LOOK AT JUKE® THE SAME WAY AGAIN.

Welcome to JUKE® Colour Studio – where colour changes everything. Featuring colour-coordinated bumper accents and headlight trim rings, side mirror caps, and vibrant alloy wheel centre caps, along with eight other configurable accents, all ready for your personal touch.

COLOUR LEGEND

JUKE® accent colours: Yellow, Orange, Red, Electric Blue, Black Purple, Carbon-Fibre-Look, Matte Black, Piano Black,1 and White

To see more, go to nissan.ca/jukecolourstudio

1Piano Black colour is only available for interior inserts. 2Solid Black. 3Black pockets.
1.6-L Direct Injection Gasoline (DIG™) Turbo Engine – If you could design an engine to provide the ideal balance of efficiency and power, this would be it. Turbo boost gives you more than enough passing power when you need it, while the compact engine design and two-level direct injection system deliver fuel-sipping economy when you don’t.

Xtronic CVT® (Continuously Variable Transmission) with Manual Mode – Smooth as silk and fun to drive. Unlike traditional automatic transmissions, JUKE®’s Xtronic CVT® transmission eliminates the need for gear-hunting and delivers a seamless wave of power. In case you miss the feeling of gears, you can engage Manual mode and bring it right back. Of course, a manual transmission is still available for the die-hard enthusiast.

THE POWER IS ON YOUR SIDE.

Instead of traditional All-Wheel Drive (AWD) systems that only distribute power from front to back, the torque vectoring AWD that’s available on JUKE® adjusts power side-to-side to the rear wheels. When cornering, this means the outside rear wheel gets more power, helping you rotate into the curve and accelerate out.
Bump up a class. JUKE® adds the premium touches that make every drive a special occasion. From a standard Nissan Intelligent Key® that grants you entry and lets you drive away without ever fumbling for a key, to available Black and Red Leather-appointed seating or standard heated cloth seats. There’s an available power sliding moonroof to let in some light, and standard rear privacy glass when your entourage prefers to travel incognito.

NISSAN I-CON SYSTEM

CHANGE YOUR MOOD ON THE FLY.

Like a fitness tracker for your car, JUKE®’s available I-CON system with drive mode selector allows you to put everything in one place. Tell JUKE® what kind of mood you’re in, and it serves up a custom-tailored drive. All your climate control functions are there, too. The I-CON system even lets you know how you’re doing, with cool displays for all the different functions you can call up.

Torque it. Boost it. Save it – In JUKE® it’s up to you. Drive in Normal mode for the best combination of performance and efficiency. Lock in Sport mode, and steering feel, transmission gearing (Xtronic CVT® models only), and throttle response quickly adjust to make every curve count. Or hit the Eco mode button and get the most out of every drop of fuel. And with a push of the Climate button, I-CON switches displays and now becomes your control centre for all things comfort. 
NISSAN AROUND VIEW® MONITOR
IT’S GOT YOUR BACK, AND THE REST OF YOU TOO.

What if parallel parking was easier? A rearview monitor is great when backing up—but when it comes to parking, it’s nice to see more than just what’s behind you. That’s why JUKE® offers an available Around View® Monitor. Four cameras give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. And since all obstacles aren’t stationary, Moving Object Detection (MOD) keeps an eye around your JUKE® and can warn you about moving objects detected in your vicinity.

With standard NissanConnect® with Mobile Apps, your JUKE® becomes your smartphone’s best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, latest tweets, TripAdvisor® tips, Facebook® events, and more all come along for the ride, working seamlessly together through your smartphone and JUKE®’s 127 mm (5.0”) colour touch-screen.

Your Nissan JUKE® also keeps you in the loop with the available Nissan Navigation System (featuring voice recognition), hands-free text messaging, Bluetooth® hands-free calling and streaming audio, plus an iPod®/USB input.

*Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.

Virtual composite 360º view. MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h (5 mph). Always check surroundings and turn to look behind you before moving vehicle.

Driving is serious business. Only use NissanConnect® Mobile Apps when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete app availability details. Never program while driving.

GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan’s control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See Nissan.ca/NissanConnect for details. Text rates and/or data usage may apply.

Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply.

Availability of specific features is dependent upon the phone’s Bluetooth® support. Please refer to your phone Owner’s Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence.

Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod® is a registered trademark of Apple, Inc. DIAL UP THE STYLE.

Step into JUKE® NISMO® and experience the next-level design born from an illustrious racing heritage. With a NISMO® Alcantara® and leather-wrapped steering wheel, smoked front combination lights, and stiffer competition-tuned suspension, you’ll experience what so many others already have: it’s not just a performance car, it’s a NISMO®

Interior Upgrades with NISMO® trim
• NISMO® red tachometer face
• NISMO® sport bucket front seats with embroidered synthetic suede trim and signature red stitching
• NISMO® Alcantara® and leather-wrapped steering wheel
• NISMO® shift knob
• Smoke grey centre console and door trim
• NISMO® carpeted floor mats
• Black headliner
• NISMO® centre console badge

Competition-inspired Design
• LED Daytime Running Lights
• Red side mirror caps
• Body-colour wheel arches
• Red body striping
• Smoked front combination lights
• Modified front fascia with larger grille
• Resculpted side sills
• Unique body-colour liftgate spoiler
• Rear fascia diffuser

Competition-tuned Handling and Responsiveness
• NISMO®-tuned Xtronic CVT® with Manual mode featuring seven programmed ‘gears’ and paddle shifters (AWD CVT)
• Stiffer springs and dampers
• NISMO®-tuned vehicle-speed-sensitive electric power steering
• 18” NISMO® 10-spoke aluminum-alloy wheels with P225/45R18 summer tires

Performance Upgrades
• NISMO®-tuned 1.6-litre Direct Injection Gasoline (DIG®) turbo 4-cylinder engine
• Close-ratio 6-speed manual transmission with triple-cone synchrons in 1st and 2nd gears (FWD 6MT), or Xtronic CVT® with Manual mode featuring eight programmed ‘gears’ and paddle shifters (AWD CVT)
• NISMO®-tuned front helical limited-slip differential (FWD 6MT)
• Torque vectoring All-Wheel Drive (AWD CVT)
• Additional NISMO®-tuned suspension
• NISMO®-tuned exhaust system
• Larger vented front disc brakes, vented rear disc brakes, upgraded brake pads and red brake calipers

INTENSELY CHARGED FOR THE SPORT OF DRIVING.

JUKE® NISMO® RS – the ultimate performance crossover. More horsepower, sharper handling, larger vented disc brakes, a performance transmission, and an overall lower, leaner, meaner attitude.

215 HP

Interior Features
• Recaro® sport bucket front seats with embossed logo and integrated head restraints
• Recaro® black synthetic suede centre fabric and red leather bolsters
• Carbon-fibre appearance interior trim
• Synthetic suede stitched instrument panel hood

US Instrumentation shown.
What if you had the confidence you need for every part of your drive? The Nissan Safety Shield Technologies™ are a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle’s systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

Vehicle Dynamic Control (VDC). As also known as stability control, VDC monitors your steering and braking to help you maintain your steered path under certain conditions by reducing engine output and/or applying brake pressure to specific wheels.

Traction Control System (TCS). When TCS senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

Electronic Brake force Distribution (EBD) and Brake Assist (BA). EBD is designed to send extra force to the rear brakes when there’s additional weight in the back. If you need to slam on the brakes, Brake Assist detects how hard you’re braking, if it senses you are in an emergency, it will automatically help to apply maximum brake force.

Innovations that Look Out for You.

NISSAN SAFETY SHIELD® PHILOSOPHY

NISSAN SAFETY SHIELD® TURBO INTERFACE AND OTHER NISSAN VEHICLES, AS WELL OFFERS INVALUABLE TIPS ON CORRECT INSTALLATION.

SEAIFT FIT GUIDE. THIS GUIDE LISTS CHILD SEATS THAT FIT THE REAR SEATS OF YOUR NISSAN, HELPING TO PROTECT YOU AND YOURS BY FOCUSING ON THREE KEY AREAS: KEEPING AN EYE ON YOUR VEHICLE’S SYSTEMS AND THE SURROUNDINGS, ASSISTING IN HANDLING UNEXPECTED SITUATIONS, AND HELPING TO KEEP YOU SAFE IN THE UNFORTUNATE EVENT OF AN ACCIDENT.

CHOOSE YOUR TRIM LEVEL

SV

- 1.6-litre Direct Injection Gasoline (DIG™) turbo
- 4-cylinder engine
- Torque vectoring All-Wheel Drive (AWD) or Front-Wheel Drive (FWD)
- 6-speed manual transmission or Xtronic CVT® with Manual mode
- 17” 5-split aluminum-alloy wheels
- NissanConnect® with Mobile Apps, hands-free text messaging assistant, and Bluetooth® Hands-Free Phone System
- Nissan Intelligent Key® with Push Button Ignition

SL

- Standard Xtronic CVT® with Manual mode
- Fog lights
- Power sliding glass moonroof with one-touch open/close and tilt feature
- Nissan Navigation System with 147 mm (5.8”) colour touch-screen monitor
- SiriusXM® Traffic®
- Voice Recognition for audio and navigation

NISMO®

- NISMO®-tuned Xtronic CVT® with Manual mode featuring seven-speed programmed ‘gear’ and paddle shifters (AWD CVT models)
- NISMO®-tuned suspension with increased spring and damping rates
- 18” NISMO® 10-spoke aluminum-alloy wheels with P225/45R18 summer tires
- LED Daytime Running Lights
- NISMO® front grille and badging
- NISMO® aerodynamic body kit – front and rear fascias, side sills and rear roof spoiler, body-colour fender lip mouldings, and high-gloss B-pilar finish
- NISMO® red side mirror caps
- Voice Recognition for audio and navigation

NISMO® RS

- NISMO®-tuned 1.6-litre Direct Injection Gasoline (DIG™) turbo 4-cylinder engine with 215 HP and 184 lb-ft of torque (FWD CVT models)
- NISMO®-tuned close-ratio 6-speed manual transmission
- NISMO® aerodynamic body kit – front and rear fascias, side sills and rear roof spoiler, body-colour fender lip mouldings, and high-gloss B-pilar finish
- NISMO® red side mirror caps
- Voice Recognition for audio and navigation

SL INCLUDES SV EQUIPMENT PLUS:

- Around View® Monitor with Moving Object Detection (MOD)®
- Leather-wrapped steering wheel
- Integrated Control (I-CON) system with drive mode selector
- Automatic Temperature Control (ATC)
- Leather-wrapped shift knob
- Rockford Fosgate® ecoPUNCH™ audio system with 8.0” subwoofer and amplifier, and six upgraded speakers

NISMO® INCLUDES SV EQUIPMENT PLUS:

- Nissan Navigation System with 147 mm (5.8”) colour touch-screen monitor
- SiriusXM® Traffic®
- Voice Recognition for audio and navigation
- Around View® Monitor with Moving Object Detection (MOD)®
- Integrated Control (I-CON) system with drive mode selector
- Automatic Temperature Control (ATC)
- NISMO® red laceshine face
- NISMO® sport bucket front seats with embroidered synthetic suede trim and signature red stitching
- Rockford Fosgate® ecoPUNCH™ audio system with 8” subwoofer and amplifier, and six upgraded speakers
- SiriusXM® Satellite Radio®

NISMO® RS INCLUDES NISMO® EQUIPMENT PLUS:

- NISMO®-tuned torque vectoring All-Wheel Drive (AWD CVT models)
- LARGER WEDGED FRONT DISC BRAKES, VENTED REAR DISC BRAKES, UPGRADED BRAKE PADS, RED BRAKE CALIPERS
- Additional NISMO®-tuned suspension and additional body structure improvements
- NISMO®-tuned exhaust system
- NISMO® RS exterior badging
- Recaro® sport bucket front seats with embroidered logo and integrated cup holders, carbon-fibre appearance interior trim, synthetic suede stitched instrument panel hood

NISSAN SAFETY SHIELD® TECHNOLOGIES INCLUDES:

- Vehicle Dynamic Control (VDC)®
- Metallic Grey trim
- Voice Recognition for audio and navigation
- NissanConnect® with Mobile Apps, hands-free text messaging assistant, and Bluetooth® Hands-Free Phone System
- Nissan Intelligent Key® with Push Button Ignition
- Around View® Monitor with Moving Object Detection (MOD)®
- NISMO®-tuned 1.6-litre Direct Injection Gasoline (DIG™) turbo 4-cylinder engine with 215 HP and 184 lb-ft of torque (FWD CVT models)
- NISMO®-tuned close-ratio 6-speed manual transmission with seven-speed programme ‘gear’ and paddle shifters (AWD CVT models)
- Nismo Intelligent Protection (IP™) (FWD CVT models)

Includes competition-level (IP™) (FWD CVT models)

6 Standard Airbags

- Frontal airbags
- Side-impact airbags
- Curtain airbags

Also known as chest airbags

Second row outboard

Third row outboard

Tire Pressure Monitoring System (TPMS)

- Monitors the tire pressure of your vehicle
- Alerts you when a tire is low or becomes flat

Buying and Owning

Finance Options

Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

Added Security Plan (ASP)4

For ultimate peace of mind, consider the Nissan Added Security Plan. It’s our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus® Prepaid Maintenance Plan

The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there’s no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

1 Nissan has taken care to ensure that the colour presentations illustrated here are the closest possible representation of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Therefore, we always encourage you to view actual vehicle and colour at your local Nissan dealer.
