Complimentary Factory Recommended First Maintenance Service
With every Scion, your first maintenance service is on us and can be redeemed at any Scion or Toyota Dealership.

In addition, if you lease or finance through Toyota Financial Services (TFS), you may also be eligible for the TFS Grad Program. This program helps to put approved graduates behind the wheel—even without an established credit history, provide a reduction to your lease or finance rate in addition to the Scion posted rate, and waive the security deposit for graduates that prefer to lease.

Visit www.scion.ca/grad for complete details.

The Scion Navigation System is designed to assist in locating an address or point of interest. The system can provide driving directions to the destination selected. However, the system is not designed to replace the driver’s awareness and responsibility to follow traffic conditions and laws, and focus on the road and traffic conditions while driving.

Discrepancies may be encountered between the system and your actual location. Rely on your common sense to decide whether or not to follow a specified route. Detailed coverage is not available for every city or roadway. Detailed coverage may be available in certain cities or roadways. For details, please see your Navigation System Owner’s Manual.

The Scion Navigation System is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the phone software version or the service coverage available in your area. Some vehicles may be equipped with Bluetooth® technology are available with bilingual compatibility. Please see your Scion Dealer for further details.
