

# 2012 Venza

Limited AWD shown in Blizzard Pearl.

Limited interior shown in Ivory.

With its bold lines, the stylish 2012 Toyota Venza fits in virtually anywhere. And with its four doors, rear liftgate and spacious, versatile interior, you'll find virtually everything fits in it. But that's not all: With its choice of three model grades, 4-cylinder or V6 engine, and Front-Wheel Drive or available All-Wheel Drive, Venza fits your lifestyle too. Clearly, this is a vehicle designed to help you live life on your own terms, and look good doing it. **2012 Toyota Venza. Moving Forward.**

**TOP STANDARD AND AVAILABLE FEATURES<sup>1</sup>**

Available 20-in. alloy wheels	70.2 cu. ft. of cargo space <sup>2</sup>	Optitron instrumentation	Available All-Wheel Drive (AWD)	Available leather-trimmed seating surfaces with contrast piping
-------------------------------	--	--------------------------	---------------------------------	---

1. Features listed not available on all models. 2. See footnote 1 in Disclaimers section.

## Get more of a good thing.

With a wide range of available Genuine Toyota Accessories to choose from, you'll be able to truly personalize your Venza. And the best part is, those accessories are all crafted to the same exacting standards as Venza itself. Remember, some accessories may not be available in all regions of the country. Please see your Toyota dealer for details.

Cargo mat

Rear bumper protector

Roof rack<sup>3</sup>

Lower door moldings

Remote Engine Starter

- All-weather cargo mat
- Cargo mat
- Cargo net — spider
- Cargo tote
- Carpet floor mats<sup>1</sup>
- Door edge guards
- Emergency assistance kit
- First aid kit
- Glass Breakage Sensor (GBS)<sup>2</sup>
- Lower door moldings
- Paint protection film
- Rear bumper protector
- Rear-seat DVD entertainment system
- Remote Engine Starter
- Roof rack<sup>3</sup>
- Towing receiver hitch
- TRD air filter
- Wheel locks
- Wireless headphones<sup>4</sup>

**1.** This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with retention hooks/clips. Do not install a floor mat on top of an existing floor mat. **2.** Available for vehicles with factory security. **3.** Not available with panoramic roof. **4.** Headphones are for passenger use only. Do not use while operating vehicle.

## Packages

### LE

**LE Convenience Package** — includes power liftgate with jam protection, backup camera<sup>12</sup> and 3.5-in. TFT Multi-Information Display with integrated backup camera<sup>12</sup> display, customizable settings, outside temperature, clock, climate control settings, fuel economy and trip information, and warning messages

**Tow Prep Package<sup>2,3</sup>** — includes engine oil cooler, larger radiator fan and heavy-duty alternator

### XLE

**XLE Premium Package** — includes panoramic glass roof with front power tilt/slide moonroof, JBL Synthesis<sup>®</sup> AM/FM 6-disc CD changer with MP3/WMA playback capability, 13 speakers, SiriusXM Satellite Radio<sup>7</sup> capability (includes three-month trial subscription to XM Select Package), auxiliary audio jack, USB<sup>9</sup> port with iPod<sup>®9</sup> connectivity, auto sound leveling, hands-free phone capability and music streaming via Bluetooth<sup>®10</sup> wireless technology

**XLE Navigation Package** — includes voice-activated touch-screen DVD navigation system<sup>11</sup> with integrated backup camera<sup>12</sup> display,<sup>13</sup> JBL Synthesis<sup>®</sup> AM/FM 4-disc CD changer with MP3/WMA playback capability, 13 speakers, SiriusXM Satellite Radio capability with NavTraffic<sup>TM7</sup> (includes three-month trial subscription to XM Select Package and NavTraffic<sup>TM7</sup>), auxiliary audio jack, USB<sup>9</sup> port with iPod<sup>®9</sup> connectivity, auto sound leveling, hands-free phone capability and music streaming via Bluetooth<sup>®10</sup> wireless technology

**Tow Prep Package<sup>2,3</sup>** — includes engine oil cooler, larger radiator fan and heavy-duty alternator

### LIMITED

**Tow Prep Package<sup>2</sup>** — includes engine oil cooler, larger radiator fan and heavy-duty alternator

For more information about our available audio systems, as well as Bluetooth<sup>®10</sup>-compatible features, please contact your local Toyota dealer.

## TOYOTA FINANCIAL SERVICES

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa<sup>®</sup> adds even more value to doing the things you love.

Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.\*

Toyota Rewards Visa<sup>®</sup> Visit [www.toyotarewardsvisa.com](http://www.toyotarewardsvisa.com) for complete details.

Toyota Financial Services (TFS)<sup>†</sup> is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit [www.toyotafinancial.com](http://www.toyotafinancial.com)

\*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

<sup>†</sup>Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

## WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

**Accessories:** For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

Toyota Venza is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing receiver hitches/ball mount kits are not intended to provide crash protection. Some vehicles are shown with available equipment. Seatbelts should be worn at all times.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit [www.toyota.com](http://www.toyota.com), refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.

## DISCLAIMERS

**1.** Cargo and load capacity limited by weight and distribution. **2.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with new SAE J2807 method. **3.** V6 models only. **4.** 2012 EPA-estimated mileage. Actual mileage will vary. **5.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. **6.** The automatic high beam system can help improve vision at night. However, conditions such as a dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness so the driver may need to manually change the high beams from on to off. See *Owner's Manual* for details. **7.** XM services require a subscription after trial period, and are sold separately or as a package. **Subscriptions governed by SiriusXM Customer Agreement; see [www.siriusxm.com](http://www.siriusxm.com). If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. Fees and programming subject to change.** Available only to those at least 18 years of age in the 48 contiguous United States and D.C. **8.** May not be compatible with all mobile phones, MP3/WMA players and like models. **9.** iPod® is a registered trademark of Apple Inc. All rights reserved. **10.** The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. Other trademarks and trade names are those of their respective owners. The Bluetooth® wireless technology phones listed on [toyota.com](http://toyota.com) have been tested for compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Toyota. **11.** Availability and accuracy of the information provided by the navigation system or any XM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic navigation updates available at additional cost. See your *Navigation System Owner's Manual* or contact XM for details. **12.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. **13.** The backup camera uses the navigation system display on vehicles so equipped. **14.** The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **15.** HomeLink® is a registered trademark of Johnson Controls, Inc. **16.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **17.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **18.** Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. **19.** All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. **20.** Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **21.** The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. **22.** Hill Start Assist Control (HAC) is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **23.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or Smart Key fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key or Smart Key fob, it can be costly to replace. If you lose a key or Smart Key fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting [www.aloa.org](http://www.aloa.org)

For Toyota Mobility program details, go to [www.toyota.com/mobility](http://www.toyota.com/mobility) or call the Toyota Customer Assistance Center at 1-800-331-4331
